LETTERS WEIGHING MORE THAN ONE OUNCE.

The postage of a letter above the weight of an ounce progresses as follows:—

When the amount in column E of the table of Colonial and Foreign Postage is found to be three times as much as in column A, as in the case of the Cape of Good Hope, the amount in column A is to be reckoned for every half ounce; when the amount in column E is found to be four times as much as in column A, as in the case of Hong Kong, the amount in column C is to be reckoned for every ounce after the first; when the amount in column E is found to be five times as much as in column A, as in the case of France, the amount in column A is to be reckoned for every quarter of an ounce.

OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to be returned to the writer.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.

The letter *a* prefixed to any division shows that the postage there entered does not carry the letter from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

TURKEY, MOLDAVIA, WALLACHIA.

In the case of letters forwarded via Belgium for other places in Moldavia than Botuschany, Galatz, and Jassy, or for other places in Wallachia than Bucharest and Ibraila, the writers should specify in the address to which of the above towns they desire their letters to be forwarded, and the rate as far as that town *must then be paid in advance*.

It is recommended that any letters for Erzeroum and other parts of the interior of Armenia, or for Persia, be addressed to the care of some agent in Samsoun or Trebizond, to be forwarded to their destination. Letters for such places in Turkey in Asia and Asia Minor as have no Austrian Post Offices, should be addressed to the care of an agent residing in the nearest port at which an Austrian Post Office has been established.

COLONIAL AND FOREIGN POSTAGE;

Being the RATES chargeable in the UNITED KINGDOM upon LETTERS, NEWSPAPERS, &c., addressed to BRITISH COLONIES and FOREIGN COUNTRIES.

Correspondence is not forwarded by French Packet during the winter. * No packet must exceed 3 lbs. Correspondence for Tultscha is not forwarded by French Packet during the winter.

POSTAGE STAMPS, &c.

Prepayment of Inland Letters, &c., must be by Stamps.

RATES OF POSTAGE.

*Inland Letters.**

1. The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exception afterwards mentioned) is as follows:—

If paid in advance.

Letter weighing not more than $\frac{1}{2}$ oz.,.....	1d
Letter weighing more than $\frac{1}{2}$ oz., but not exceeding 1 oz.,.....	2d
Letter weighing more than 1 oz., but not more than $1\frac{1}{2}$ oz.,.....	3d
Letter weighing more than $1\frac{1}{2}$ oz., but not 2 oz. and so on; one penny being charged for every additional $\frac{1}{2}$ oz.	4d

2. As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, is, on delivery, charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

Colonial and Foreign Letters.

3. The rates of postage on letters to foreign countries and the colonies are entered in the Table of Colonial and Foreign Postage prefixed.

Addresses to the Queen and Petitions to Parliament.

4. Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other inclosure, however, must be inserted, and if one be found, such inclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

Newspapers and other periodical Publications bearing the Newspaper Stamp.

5. Although provision is made for forwarding newspapers, books, and money through the post, it is not compulsory on any one to employ this mode of transmission, the exclusive privilege of the Post Office extending only to letters.

6. All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be transmitted and re-transmitted through the post within the United Kingdom free of postage, under the following regulations, viz. :—

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands. If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

1st. They are subject to the same restrictions with regard to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shown in the following table :—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial extent of Letterpress on one side.
One Penny - -	Two - - - -	2295 inches.
Three Halfpence - - - -	Three - - - -	3443 "
Twopence - - - -	Four - - - -	4591 "

2nd. No publication, or portion thereof, can pass through the post unless the impressed stamp which it bears be a stamp of the value at least of one penny.

3rd. The title and date of the publication must be printed at the top of every page.

4th. The publication must be folded in such a manner that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover it will be considered sufficient if the stamps be so arranged that they can readily be examined.

5th. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together, nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

6th. It must be posted within *fifteen days* from the date of issue.

7th. It must have either a cover open at the ends, or no cover.

8th. It must contain no inclosure.

9th. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, franked by a newspaper stamp, after having had the address of one person written upon the paper itself, be sent to another person, the first address must be cut off (obliteration not being sufficient).

10th. If the publication be addressed to any person within the free delivery of the place where it is posted, it will become liable to a postage of one penny, which must be prepaid by affixing a postage stamp.

11th. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would be liable; and if it be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it is liable on this account to a charge of 2d.; and for any breach of the 9th rule, an additional postage of 2d. is charged.

12th. In case of any other irregularity, the publication is dealt with as an unpaid letter.

13th. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.

14th. Stamped publications can also be forwarded

under the regulations of the Book Post; but when so sent the impressed stamp does not count as any part of the postage.

7. *Newspapers sent abroad.*—Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3rd, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover, the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage; and this postage must be prepaid in stamps.* As respect newspapers going abroad the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British office is concerned, treated as such.

8. Each newspaper sent abroad must be prepaid the proper rate of postage, and if more than one copy be put up in a packet the packet must be prepaid, not according to its weight, but according to the number of copies in it.

9. *Newspapers for Russia.*—It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. The admission also into Russia of newspapers not of a political character, is permitted only in those cases where they are addressed to the house of some established bookseller to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia. In all cases where the above-mentioned printed papers are allowed to circulate by the post, they are chargeable in Russia with a Foreign rate of postage, in addition to the rate chargeable in this country.

PARLIAMENTARY PROCEEDINGS.

10. *Parliamentary proceedings circulated inland.*—*Postage.*—Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

Weighing not more than 4 oz.....	1d.
Weighing more than 4 oz., but not exceeding 8 oz.....	2d.
Weighing more than 8 oz., but not exceeding 12 oz.....	3d.
Weighing more than 12 oz., but not exceeding 16 oz.....	4d.

and so on; one penny being charged for every additional quarter of a pound or fraction of a quarter of a pound.

The words "Parliamentary Proceedings" must be written or printed on the cover of the packet, otherwise it will be treated as an ordinary book-packet.

Prepayment optional.—Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

* Newspapers posted unpaid are retained at the Returned Letter Office for one week; and then, if the postage still remain unpaid are destroyed.

Parliamentary proceedings, &c., sent abroad.—Parliamentary proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a book post.

Book Post, including (when the foregoing special privileges are not claimed) Newspapers and other periodical publications, and also Parliamentary Proceedings.

11. *Inland Book Post, &c.*—The following are the regulations of the Inland Book Post:—

1st. Rates of Postage:

Weighing not more than 4 oz.*	1d.
Weighing more than 4 oz., but not exceeding 8 oz.....	2d.
Weighing more than 8 oz., but not exceeding 1 lb.....	4d.
Weighing more than 1 lb., but not exceeding 1½ lb.....	6d.
Weighing more than 1½ lb., but not exceeding 2 lbs.....	8d.

and so on, 2d. being charged for every additional half-pound or fraction of a half-pound.

2nd. The postage must be prepaid by means of postage stamps affixed outside the packet or its cover. If the whole postage be not thus prepaid the packet is treated in the manner described in Section 9.

3d. Every packet must be sent either without a cover, or in a cover open at the ends or sides; so as to admit of the inclosures being removed for examination. For the greater security of its contents, the packet may be tied at the ends with string; but in such case the Postmaster is authorized to cut the string, although he is required to refasten the packet.

4th. A book-packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs when not on glass or in cases containing glass, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints will be allowed, except such as may be printed on *paper, parchment, or vellum*. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps, markers (whether of paper or otherwise), in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but no patterns, or books of patterns (unless these consist merely of paper) can be allowed.

5th. No book-packet may contain anything which is sealed or otherwise closed against inspection; nor

* If the weight be exceeded to the smallest extent, even though the balance be merely turned, the book or printed paper becomes liable to a higher postage. To provide therefore for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight. It should be remembered that a newspaper when wet weighs more than when dry. Forgetfulness on this point sometimes causes groundless complaints about charges for newspapers; the complainant having erroneously supposed, on weighing the newspaper on its arrival, and when it had had time to dry, that he had been overcharged. The foregoing observations apply also to books, &c., sent abroad.

must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed as respects the name and address of the sender, not only is the writing permitted but recommended; so that if the cover come off or for any other reason the packet cannot be forwarded, it may be returned.

6th. No book packet must exceed two feet in length, width, or depth; and if any such packet be presented at a post office it will not be received.

7th. Any packet which shall not be opened at the ends or sides, or shall have any letter or any communication of the nature of a letter *written in it*, or *upon its cover*, will be charged with the "unpaid" letter postage.

8th. If a packet be found to contain any letter not wholly printed, whether closed or open, or any inclosure sealed or otherwise closed against inspection, or any other unauthorized inclosure, the letter or inclosure will be taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter; together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, will then be forwarded to its address.

9th. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.

10th. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

12. The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters should not be sent through the Post.

13. *Colonial and Foreign Book Posts.*—Except that the rates of postage are higher, and that at present all books for places abroad, when posted unpaid, are subject to letter rate of postage, books can be sent to all British colonies, and to other foreign places, on the same conditions as those of the Inland Book Post.

14. *Inland Pattern and Sample Post.*—The following are the rules of the Inland Pattern and Sample Post:—

1st. Rates of Postage.		<i>s. d.</i>
For a packet of patterns,	or samples, weighing not more than 4 oz.,	0 2
“ “	more than 4 oz., but not more than 8 oz.,	0 4
“ “	more than 8 oz., but not more than 16 oz.,	0 8
“ “	16 oz., but not more than 24 oz.,	1 0

2nd. The postage must be prepaid by means of postage stamps.

3rd. No packet of patterns or samples must exceed 24 oz. in weight. Any packet exceeding that weight will be charged as a letter.

4th. There must be no writing or printing in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles, otherwise the packet will be treated as a letter.

5th. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be inclosed in boxes made of card board, or in bags of linen or other material fastened in such a manner that they may be readily opened; bags so closed that they cannot be readily opened, even although they be transparent, must not be used for this purpose. Non-compliance with this rule will also subject the packet to be treated as a letter.

6th. There must be no inclosures other than the samples themselves; the particulars which are allowed to be furnished under the preceding rule must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples, or the bags containing them. Any loose inclosure will be taken out and forwarded to the address on the packet charged with the full postage as an unpaid letter, together with an additional rate of a penny.

7th. If a packet of patterns or samples be posted altogether unpaid, it will be charged with double the postage which should have been prepaid; if a portion of the postage be prepaid, even although only a penny stamp be affixed, the packet will be charged with the amount of the deficiency, together with an additional rate of twopence.

8th. The rule which forbids the transmission through the Post of any article which might injure the contents of the mail bags, or the officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded, it will be stopped and charged with a fine equal in amount to the postage to which the packet was liable as a packet of patterns.

9th. The preceding regulations do not affect the transmission of patterns or samples beyond the United Kingdom.

15. *Colonial and Foreign Pattern Post.*—Except that no packet addressed to France or Italy may have the address of the sender upon it or upon its cover, trade patterns can, on the foregoing conditions, and at the rates inserted in the Table of Colonial and Foreign Postage, be sent to such colonies and foreign countries as are marked on that Table with the letter "P."

POSTAGE STAMPS.

16. *Postage Stamps must be kept for sale.*—Every Postmaster is required to have on hand a sufficient stock of postage labels and embossed penny envelopes,

and to sell them to the public at the following prices:—

Postage Labels—Prices

Twopenny do.	2d. each.

2 “	0s. 2¼d.
1 “	0s. 1¼d.

17. *Stamps.*—Prepayment of inland letters, &c., must be by labels or embossed stamps. British postage stamps are not available for the payment of letters, &c., coming into this country.

18. By using embossed envelopes all risk of the stamp being detached may be avoided; but when labels are used, they should be examined to see that they firmly adhere, since if they fall off, the letters, &c., will be charged with postage; which, in the case of inland letters, is double the prepaid rate. While, as respects many letters addressed to places abroad, the transmission will be altogether stopped. The labels should be placed on the front of the letter, and upon the right hand corner of the upper side.

19. *Postage Stamps purchased from the Public.*—Certain Postmasters in England and Wales are permitted, though not compelled, to purchase postage stamps from the public, provided the stamps be not soiled or otherwise damaged, at a charge of 2½ per cent.; the charge, however, never being less than one halfpenny. Under this arrangements the payments are as follows:—

s.	d.	s.	d.
1	7½	for stamps of the value of	1 8
3	3	“	3 4
4	10½	“	5 0
6	6	“	6 8
9	9	“	10 0

and so on.

REGISTRATION.

20. By the prepayment of a fee of fourpence, any letter, newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place within the United Kingdom. Letters, newspapers, books, &c., may also be registered to a British Colony or to Italy for a fee of sixpence. No newspaper, book, or other packet (except letters, addressed to a foreign country (except Italy) can be registered, and to some countries even letters cannot be registered, as shown in the table of Colonial and Foreign Postage.

21. The registration of a packet makes its transmission much more secure, and the loss of such a packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account, and if the Postmaster-General think fit, will be required to make good any loss that may be sustained. The Post Office cannot undertake

the safe transmission of valuable inclosures in unregistered letters. So sent they are exposed to serious risk. All inland letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of eightpence, in addition to the ordinary postage, and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch. This rule, however, applies as yet only to inland letters.

22. Every letter to be registered should be presented at the window, and a receipt obtained for it, and must on no account be dropped into the letter-box. If, contrary to this rule, a letter marked “Registered” be dropped into the letter-box, it will, if directed to any place in the United Kingdom, be liable to a registration fee of eightpence, instead of the ordinary fee of fourpence. Letters addressed to places abroad marked Registered, and posted in the letter-box, are forwarded as ordinary letters.

23. *Time of Posting.*—The time for posting registered letters at Glasgow is half an hour before the closing of the mail by which they are to be despatched. At all provincial Head Offices, letters, whether inland, foreign, or colonial, may be registered after the hours specified, until the closing of the letter-box for each despatch, or until the office is closed for the night, upon payment of a late fee of fourpence in addition to the ordinary registration fee.

24. *Mode of Posting.*—The postage and registration fee of registered letters must be prepaid; and if the letter be inland, such prepayment must be by stamps.

25. No Letter Carrier or Rural Messenger or other servant of the Post Office, is allowed to carry a letter from any person to be registered.

26. *Parliamentary Notices.*—Parliamentary notices may be forwarded through the post under the following regulations:—

1st. The words “Parliamentary notice” must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter, though this is not imperative.

2nd. These notices must be posted either at the General Post Office, St. Martin's-le-Grand, in London; the General Post Office in Dublin; the General Post Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen,	Inverness,
Athlone,	Leeds,
Belfast,	Lincoln,
Birmingham,	Liverpool,
Bristol,	Manchester,
Cork,	Newcastle-upon-Tyne,
Exeter,	Norwich,
Glasgow,	Shrewsbury.

3rd. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.

4th. The postage chargeable on these notices and the registration fee of sixpence on each must be prepaid by stamps.

5th. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged for the convenience of comparison in the order of the list. These lists will be examined by the officer in attendance at the window, and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

27. *Time for Posting Parliamentary Notices.*—The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office, in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are liable to an additional rate of postage like letters.

28. The senders of parliamentary notices should, if possible, arrange on the previous day with the Postmaster, as to the most convenient time for posting them, and state the probable number.

29. Notices relating to votes for members of Parliament belonging to any of the classes enumerated in the Acts 6 Vict. c. 18, and 13 and 14 Vict. c. 69, can also be sent through the post (with the securities for their safe delivery enjoined by the Acts), on prepayment in stamps of the postage, and of a registration fee of twopence, provided they be presented duly directed, open, and in duplicate, to the Postmaster of an office which is also a Money Order Office. On receiving the notices, the Postmaster will compare each with its duplicate, and if the two agree, the latter will be stamped and returned to the bearer. The production by the person who posted such notice of such stamped duplicate is evidence of the notice having been given to the person at the place mentioned, on the day on which such notice would in the ordinary course of post have been delivered there. The notices must be presented at least half an hour before the fixed time for posting ordinary letters. They are liable to the usual charge for re-direction.

30. *Poll-books.*—When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating the time when he received it.

31. No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight or size.

32. *Jury Summonses.*—Under the following regulations jury summonses may be sent through the post:—

1st. They must bear the words "Jury Summonses" on each, on the same side as the address.

2nd. The postage, together with a fee of twopence on each summons, must be prepaid in postage stamps.

3rd. They must be posted at those offices only which are also Money Order Offices, and each must be accompanied with a duplicate endorsed with the name and address of the person to whom the original

summons is directed. On receiving them, the Postmaster compares their addresses with those of the duplicates, and on being satisfied that they are alike, he forwards the originals in the usual course of post, but not as registered letters, returning the duplicates to the person who brought them, duly marked with the stamp of the office.

33. *Delivery.*—Letter Carriers and Rural Messengers are prohibited from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they have completed them, except such as have passed through a Post Office. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, nor to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities.

34. *Delivery at Window.*—No person living within the town free delivery, unless he rent a private box, can obtain his letters at the office window.

35. In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post Office, although for persons residing within a free delivery from such office, but who have no private box, a Postmaster is authorized, when such letters arrive by a mail for which there is no delivery from house to house, to refuse to deliver them at the window (even though initials may be substituted for the name), and to send them out by the Letter Carriers; except such as are addressed to the military in barracks.

36. *Private Boxes and Bags.*—Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is generally fixed at one guinea per annum to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that, in addition, there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum, if the bag be conveyed by a Rural Messenger, and two guineas if by a contractor for a mail cart or other horse post. The weight of a private bag, when empty, is limited to one pound. As the service of a private bag may possibly delay the despatch of the general bag, none are allowed without the permission of the surveyor.

MONEY ORDERS.

37. *Application Forms.*—The public are recommended, when applying for Money Orders, to use printed "Application Forms," which save time, and afford greater security than verbal messages against mistakes. These forms are supplied gratuitously at all Money Order Offices.

38. *Commission.*—The commission on inland Money Orders is as follows:—On sums not exceeding £2, threepence; above £2 and not exceeding £5, sixpence; above £5 and not exceeding £7, ninepence; above £7 and not exceeding £10, one shilling.

39. *No Fractional Part of a Penny Allowed.*—No order is allowed to contain a fractional part of a penny.

40. *Particulars Required.*—With the subjoined exceptions, no Money Order can be issued unless the applicant furnish, in full, the surname and at least

the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address:—

1st. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and, if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company," to which kind of company the above privilege does not extend.

2nd. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

41. When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order office, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be cashed at the Head Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices, but the nearest Money Order office to any street in London may be ascertained by referring to the Street List.

42. *Orders cannot be Cancelled.*—An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the paying Postmaster according to the directions printed on the back of the order.

43. The remitter of an order may make that order payable ten days after date, provided he sign the requisition "C" printed on the order, to defer payment until ten days after date, and affix a penny receipt stamp thereto.

44. *Payment of Money Orders.*—When an order is presented for payment (otherwise than through a bank) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person), and that it be presented crossed with the name of the receiving bank by some person known to be in the employment of the bank.

45. The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

46. Money Orders do not require a receipt stamp.

47. *Lapsed and Void Orders.*—Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. The period for payment of orders issued in the United Kingdom and payable in any colony authorized to transact

Money Order business, including Gibraltar and Malta, is six months, and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January) all claim to the money will be lost.

48. *No Compensation Allowed for Alleged Injury; and no Claim after Order has once been paid.*—No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time; and after once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim.

49. To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

1st. When he is well known to the payee, to sign the letter inclosing the order with his initials only.

2nd. When this is not the case, either to make the order payable ten days after date, or to register the letter inclosing it, or to make the order payable through a bank.

3rd. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

50. *Payment cannot be Demanded on day of Issue.*—Under no circumstances can payment of an order be demanded on the day of issue.

51. *Duplicate Orders, Transfers, Repayments, Alteration of Name, &c.*—In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and inclosing the amount of a second commission, in postage stamps) to the Comptroller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order a similar application, with inclosure of postage stamps, must be made to the Comptroller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the Postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application inclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed at the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the pay-

ment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

52. A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment shall communicate with the remitter, and request him to apply personally to the issuing Postmaster.

53. *Letter-carriers, &c., not bound to procure Money Orders, &c.*—No Letter-carrier or other servant of the Post Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

54. *Colonies.*—Money Orders are issued at all Money Order offices in the United Kingdom of Great Britain and Ireland, on Money Order offices in Gibraltar and Malta at a charge equal to threefold the commission on inland Money Orders, and on Money Order offices in the subjoined list at a charge equal to fourfold such commission:—

56. The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a Colony on the United Kingdom, will be made on application to the Comptroller of the Metropolitan Office of that portion of the United Kingdom in which such Colonial Order is payable, provided an additional British Inland Rate of Commission be inclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of Colonial orders originally drawn on their own offices.

57. For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the payee or remitter of an order issued by a Colony on the United Kingdom, the application on the subject, inclosing an additional Colonial Inland rate of Commission, must be addressed to the Comptroller of the Metropolitan Office on the Colony in which such order was issued.

POST OFFICE SAVINGS BANKS.

58. *Hours of Business.*—Every Post Office Savings Bank, which is also a Money Order office, is open for bank business during the same hours as for Money Orders.

59. *Amount of Deposits.*—Deposits of any amount, not less than One Shilling and not including any pence, are received at any Post Office Savings Bank, provided those made by any separate depositor in any year ending on the 31st December do not increase the total amount of his deposits by more than £30, and provided such total amount, exclusive of interest, is never more than £150. When any depositor's principal and interest amount together to £200, no more interest will be allowed until this sum of £200 be lessened.

60. *Name, Address, and Occupation of Depositor to be furnished, and Declaration to be made.*—On making his first deposit, every person must give his Christian and surname, and state his occupation and residence, and must sign the following declaration, to be witnessed by the Postmaster, or by some person known to the Postmaster, or by the minister or a churchwarden of the parish in which the depositor dwells, or by a justice of the peace; and if such declaration or any part thereof shall not be true, the depositor making the same will forfeit all right to his deposits:—

COPY OF DECLARATION TO BE SIGNED BY DEPOSITOR ON MAKING FIRST DEPOSIT.

In pursuance of an Act of Parliament, I, _____ of _____

do hereby declare to the Postmaster-General that I am desirous on my own behalf to become a depositor in the Post Office Savings Bank. I do further

hereby declare, that I am not directly or indirectly entitled to any deposit in, or benefit from the funds of this or any other Savings Bank in Great Britain or Ireland, nor to any sum or sums standing in the name or names of any other person or persons in the books of the said Post Office Savings Bank; and I do hereby also testify my consent that my deposits in the said Post Office Savings Bank shall be managed according to the Regulations thereof.

Witness my hand this day of _____, 186 _____

Signed by the said depositor in the presence of me, _____ } _____

Save and except such benefit as I may be entitled to from being a member of a friendly society legally established; or from such sum or sums as may be standing in my name as trustee jointly with the name or names and on behalf of any other depositor or depositors.

If Depositor cannot Write.—If the depositor cannot write, then on making the foregoing declaration, and in any other case in which his signature is required, the depositor must, in the presence of a witness, affix his mark to be attested by the witness' signature.

61. *Interest.*—Interest calculated yearly at the rate of £2 10s. per cent. per annum will be allowed on every complete pound deposited, reckoned from the first day of the calendar month next following the day on which a complete pound shall have been deposited or completed, up to the first day of the calendar month in which the moneys are withdrawn. The interest thus calculated will be at the rate of one halfpenny per calendar month for every complete pound. The interest will be reckoned to the 31st December in every year, and will then be added to the principal.

62. *Transfers of Deposits.*—A depositor in the Post Office Savings Bank may transfer his deposits to any other Savings Bank legally established; and on his written application, accompanied by his book, to the chief office of the Postmaster-General, in a form to be obtained at any Post Office Savings Bank, he will be furnished with a certificate of the whole amount due to him, and his account with the Post Office Savings Bank will thereupon be closed. A depositor in any legally established Savings Bank may transfer his account to the Post Office Savings Bank, and may require from the trustees or managers of such bank a certificate, stating the amount due to him, and thereupon his account with such bank will be closed. The certificate may be delivered at any Post Office Savings Bank, and will be received as a deposit of the amount therein set forth, and on the certificate being forwarded to London, and verified by the National Debt Commissioners, an account for the amount thereof will be opened with the depositor, and an acknowledgment for the amount will be sent to him.

63. *Withdrawals of Deposits.*—Any depositor wishing to withdraw the whole or part of the sum deposited by him, must make application for the

same in a form which may be obtained at any Post Office Savings Bank. In this form the depositor must give the particulars therein required, and on receipt of it at the General Post Office in London, a warrant for the amount required, payable at the office named by the depositor, will be sent to him by post. This warrant must be presented by the depositor at the Post Office named thereon, together with the depositor's book, in which the Postmaster will enter the amount repaid, and attest the entry with his signature and the dated stamp of his office. The Postmaster will take from the depositor a receipt (not chargeable with stamp duty) on the warrant for the amount repaid to him. The Postmaster-General will endeavour to prevent fraud, and to identify every depositor transacting business with the Post Office Savings Bank; but if any person shall obtain possession of a depositor's book and then fraudulently represent himself to be the depositor, and by forwarding the proper notice of withdrawal, and by presentation of the depositor's book, and compliance with the rules of the department, shall obtain any sum of money belonging to that depositor, the Postmaster-General will not be responsible for the loss thereof.

64. *Repayments.*—Repayments will be made only to the depositor in person, or to the bearer of an order under his hand, signed in the presence of either the minister or churchwarden of the parish in which the depositor resides, of a justice of the peace, or in case of sickness, of the medical attendant. If the depositor be resident abroad, the signature must be verified by some constituted authority of the place in which he resides. A form of order, to be signed by the depositor on such occasions, may be obtained at the Post Office at which the warrant is made payable.

65. *Funds of Deceased Depositors not exceeding £50.*—In case any depositor shall die leaving any sum of money not exceeding £50, exclusive of interest, deposited in the Post Office Savings Bank, and probate of his will, or letters of administration, be not produced to the Postmaster-General, or if notice in writing of the existence of a will and intention to prove the same, or to take out letters of administration, be not given to the Postmaster-General, at his principal office within one month from the death of the depositor; or if such notice be given, but such will be not proved, or letters of administration be not taken out, and the probate or letters of administration (as the case may be) produced to the Postmaster-General within two months from the death of the depositor, it will be lawful for the Postmaster-General, after such period of one or two months, as the case may be, to pay and divide such funds at his discretion to or amongst the widow and relatives of the deceased depositor, or any one or more of them, or, if he shall think proper, according to the Statute of Distributions.

66. *Funds of Deceased Depositors above £50.*—In case any depositor shall die, leaving any sum of money in the Post Office Savings Bank which (exclusive of interest), shall exceed the sum of £50, the same will only be paid to the executor or administrator on the production of the probate of the will or letters of administration of the estate or effects of the deceased depositor to the Postmaster-General.

67. *Payment on Death of a Depositor being Illegitimate and Dying Intestate.*—If any depositor, being illegitimate, shall die intestate, leaving any person or

persons who, but for the illegitimacy of such depositor, and of such person or persons, would be entitled to the money due to such deceased depositor, it will be lawful for the Postmaster-General, with the authority in writing of the barrister-at-law appointed to certify the rules of Savings Banks, to pay the money of such deceased depositor to any one or more of the persons who, in his opinion, would have been entitled to the same according to the statute of distributions if the said depositor had been legitimate.

68. *Certificate for Exemption from Stamp Duty.*—For the purpose of obtaining, free of stamp duty, a probate of will or letters of administration, a certificate of the amount due to the deceased depositor will be granted on application to the Postmaster-General by the proper parties.

69. *Incapacitated Depositors.*—If any depositor shall become insane, or otherwise incapacitated to act, and the same shall be proved to the satisfaction of the Postmaster-General, then the Postmaster-General, if he shall be satisfied of the urgency of the case, may authorise payment from time to time out of the funds of such depositor to any person whom he shall judge proper to receive it.

70. *Settlement of Disputes.*—If any dispute shall arise between the Postmaster-General and any depositor, or any executor, administrator, next of kin, or creditor, or assignee of a depositor, who may become bankrupt or insolvent, or any person claiming to be such executor, administrator, next of kin, creditor, or assignee, or to be entitled to any money deposited in the Post Office Savings Bank, the matter in dispute must be referred in writing to the barrister-at-law appointed under the Savings Banks Acts, and whatever award shall be made by the said barrister will be binding and final without any appeal.

71. *Secrecy.*—The officers of the Postmaster-General engaged in the receipt or payment of deposits will not disclose the name of any depositor, nor the amount deposited or withdrawn by him, except to the Postmaster-General, or to such of his officers as may be appointed to assist in carrying out the provisions of the Post Office Savings Bank Acts.

MISCELLANEOUS REGULATIONS.

72. *Limit to Size of Letters, &c.*—With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, or one foot in breadth, or depth; nor any unpaid packet which weighs more than four ounces. The exceptions are—

1st. Packets to or from places abroad.

2nd. Packets to or from any of the Government offices or departments, or public officers.

3rd. Petitions or addresses to the Queen, whether directed to her Majesty, or forwarded to any member of either House of Parliament.

4th. Petitions to either House of Parliament, forwarded to any member of either House.

5th. Printed Parliamentary proceedings.

73. *Official Information.*—No information can be given respecting letters which pass through a Post Office* except to the persons to whom they are ad-

* The term "Post Office" applies to all Post Offices, whether Head-Office, Sub-Office, or Receiving Office. A "Head-Office" is an Office subordinate only to a Metropolitan Office. Both Sub-Offices and Receiving Offices are under Head-Offices; but at Receiving Offices letters are received only, not delivered.

ressed; and in no other way is official information of a private character allowed to be made public.

74. *Letters* cannot be returned to Writers.*—Postmasters are not allowed to return any letter to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter must be delivered to the person to whom it is directed, and to him alone, at the address it bears.

75. *Re-directed Letters, &c.*—Every re-directed letter or other postal packet will be liable to an additional postage (at the prepaid rate).

76. A registered letter, when re-directed, is liable to the same additional charge as an ordinary letter, and, if re-posted after having been delivered at the original address, a second registration fee must be paid with it.

77. Letters which have once been posted, addressed to commissioned officers in the army, navy, or ordnance, or to non-commissioned officers, private soldiers, or seamen employed on actual service in any of Her Majesty's colonies, or on any foreign station, and who, before receiving the letters, may have started on their return home or to another station, may be re-directed to such officers, private soldiers, or seamen when these have removed *upon service*, and will be delivered to them without any charge for re-direction. The same privilege extends to the letters of non-commissioned officers, private soldiers, and seamen, re-directed from one part of the United Kingdom to another part of the United Kingdom, or from the United Kingdom to a place abroad; but no such privilege is allowed with regard to letters for a commissioned officer re-directed from one part of the United Kingdom to another, or, if posted in the United Kingdom, re-directed to a place abroad.

78. A Postmaster is not bound to re-direct letters, unless for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited, or the letters would suffer delay by being sent to the house to be re-directed there; and unless, in addition, a written application, properly signed, be received by the Postmaster from the person to whom the letters are addressed, requesting that they may be re-directed.

79. *Sunday.*—During the time the office is open on Sunday (*viz*, from eight to nine in the morning), the public are allowed to prepay foreign and colonial letters, to purchase postage stamps, and to have letters registered; and all other duties are performed as usual, except Money Order and Savings Bank business, which on that day is wholly suspended.

80. Private box-holders have the option of applying for letters at the office while it is open for delivery on Sunday, or of abstaining from so doing as they may think proper; but no person can be permitted to engage a private box for Sunday only.

81. *Change and Bad Money.*—No Postmaster is bound to give change, or is authorised to demand change; and when money is paid at a Post Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

82. *Postmasters not bound to weigh letters for public.*—Except as regards foreign and colonial let-

ters about to be prepaid in money, the officers of the Post Office are not bound to weigh any letters or other packets for the public, though they may do so if their duty be not thereby impeded.

83. *Forbidden Articles.*—Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag or the person of any officer of the Post Office. If such a letter, &c., be posted in the letter-box, and discovered before its despatch, it is detained, and a report of the case made to the Secretary G.P.O. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or combustible.

84. *Undelivered letters.*—When the reason for the non-delivery of a letter, &c., is "Deceased," the letter is sent, as soon as practicable, to the Returned Letter Office, as are all letters intended for ships which have sailed before their arrival. When the reason is "Refused," the letter, if an inland one, is retained at the Post Office for one day only before being sent to the Returned Letter office, unless the refusal be conditional, in which case the letter is kept for one week, as are all foreign or colonial letters when refused, and letters, whether inland or foreign, marked "Not known," or "Gone away." When the reason is "Not called for" (the letter being addressed to a Post Office), the packet is retained one month; except in the case of letters at seaports addressed to persons on board ships expected to arrive at such ports, which letters are kept three months.

85. *Penalties for sending Letters otherwise than through the Post.*—By the Act 1st Victoria, cap. 33, sec. 2, any person conveying otherwise than by the Post a letter not exempted from the exclusive privilege of the Postmaster-General incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

86. *Exceptions from exclusive privilege of Post Office in conveyance of Letters.*—The following are the exceptions granted by the Act 1st Victoria, cap. 33, from the exclusive privilege of the Post Office, in the conveyance of letters:—

1st. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed.

2nd. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof; commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a court of justice.

3rd. Letters sent out of the United Kingdom by a private vessel (not being a packet boat).

4th. Letters of merchants, owners of vessels of merchandize, or the cargo or loading therein, sent by such vessels of merchandize, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise.

5th. Letters concerning goods or merchandize sent by common carriers, to be delivered with the goods

* The term "Letters," &c., is meant to include everything sent by the post; whether letters, newspapers, books, or aught else.

which such letters concern, without hire or other advantage for receiving or delivering such letters.

6th. No person is authorized to make a *collection* of such excepted letters for the purpose of sending them in the manner above described.

87. The following persons are expressly forbidden to carry a letter, or to receive or collect or deliver a letter, even though they shall not receive hire or reward for the same:—

1st. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.

2nd. Owners, masters, or commanders of ships,

vessels, steam-boats, or boats called or being passage or packet boats, sailing or passing coastwise, or otherwise between places within Great Britain or Ireland, or between, to, or from ports within her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board.

3rd. Passengers or other persons on board any such ships, vessels, steam-boat, passage or packet boat.

4th. The owners of or sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other her Majesty's dominions.

MAILS FOR THE ORKNEY ISLANDS.

From the 1st April to the 30th September, the mails are despatched daily (excepting Sunday), from Thurso, in Caithness, at 9.40 a.m., returning from Stromness at 4.45 a.m. During the winter months, however, the mails are despatched on alternate days only, from Thurso at 12 noon and from Stromness at 7.30 a.m. The distance is 30 miles.

MAILS FOR THE SHETLAND ISLANDS.

The mails for the Shetland Islands are despatched from Aberdeen every Friday Evening, arriving at Kirkwall on Saturday, and at Lerwick on Sunday Morning; returning from Lerwick to Aberdeen every Monday at 6 and 10 p.m. alternately, and from Kirkwall to Aberdeen every Tuesday at 6 a.m., during the summer, from April to October. In winter the mails are conveyed direct from Aberdeen to Lerwick by a sailing packet, the despatch and arrival of which are uncertain. The distance direct is about 200 miles.

LIST OF POST TOWNS AND SUB-OFFICES IN SCOTLAND,

WITH THE HOURS at WHICH THE LETTER-BOX IS CLOSED at THE HEAD-OFFICE, GEORGE SQUARE.

The *Newspaper* Box is kept open 15 minutes later for the Mails, for which the *Letter* Box is closed at 10.30 p.m. For the hours at which the Letter-Box is closed for a Sub-Office, see the Head-Office to which it is subordinate.

When in the subjoined list *one* place only is mentioned, it is a Head-Office, and when there are two, the first is a Sub-Office, and the second is the Head-Office to which the first is subordinate.

In all cases the figures after a place show its distance in miles from the Sub-Office.

Offices at which both Money-Order and Savings Bank business is transacted, are marked thus, *m*, and those which are Money-Order Offices, but not Savings Banks, thus, *o*.

ADHESIVE STAMPS.

In cancelling adhesive stamps, instead of writing the name of the party or his firm in full, it shall be sufficient if the initials shall be written, stamped, or impressed in ink on the stamp, together with any other particulars required by law, provided the stamp shall be effectually cancelled, so as not to admit of being again used, 24 and 25 Vict. c. 91, § 33.

ADMISSION as a Burgess or into any Corporation or Company in any burgh in Scotland, in lieu of the duties of £1 and £3 formerly payable, 5s.

AGREEMENT, MINUTE, or MEMORANDUM (on and after 3rd April, 1860), containing the terms and conditions on which lands, &c., are let, held, or occupied for any such term. The same duty as on a lease or tack.

Provided that any lease or tack afterwards made, in pursuance of, and conformably to the above, shall be charged with the lease duty, but not higher than 2s. 6d., exclusive of progressive duty, notwithstanding the terms and conditions may be varied, not affecting the stamp duty. The lease may be impressed with a stamp denoting the payment of the proper duty on the agreement, minute, or memorandum.

AGREEMENT containing the terms and conditions on which a furnished dwelling-house is let for a period less than a year, where the rent for such period shall exceed £25; 2s. 6d.

N.B.—The stamp may be adhesive, to be cancelled by the parties to the instrument (if exceeding two, one on each side only) by writing upon or across the stamp his name, and before or at the time of the first party signing the instrument, the date of the instrument must be written on the stamp. In default, stamp of no avail. Proof of writing upon or across the stamp a necessary part

of the evidence of signing or marking the instrument. Every person who signs incurs a penalty of £5 if instrument has not on it an impressed stamp or adhesive stamp cancelled, or who does not sign across adhesive stamp, and also the agent who may have prepared the instrument, 24 and 25 Vict. c. 21, § 14 and 15.

AGREEMENT, or Minute or Memorandum of Agreement (on and after 3rd April, 1860), without a clause of registration, and not charged otherwise nor expressly exempted from duty, where the matter is of the value of £5 or upwards, whether the same is evidence of a contract, or obligatory upon the parties from its being a written instrument, together with every schedule, receipt, &c., endorsed or annexed, 6d. Progressive duty on words, 6d. Letters forming an Agreement: If any one of them shall be stamped with 1s., it shall be sufficient, whatever the number of words in them.

Exemptions.—Agreements for the hire of any labourer, artificer, manufacturer, or menial servant. Memorandum or agreement for or relating to the sale of any goods, wares, or merchandise.

Agreements entered into in the United Kingdom for or relating to the service in the colonies of any person as an artificer, clerk, domestic servant, handicraftsman, mechanic, gardener, servant in husbandry or labourer, 17 and 18 Vict. c. 83, § 21.

Agreements in compliance with or under the provisions of the Merchant Seaman's Act, 7 and 8 Vict. c. 112, or the Mercantile Marine Act, 13 and 14 Vict. c. 93.

Note.—The agreement, if liable to one duty of 6d., may be stamped if brought to the Commissioners at London, or their office at Edinburgh, or lodged with the distributors of stamps in the country, within fourteen days after being made. If after, at London or Edinburgh, on a penalty of £10. 7 and 8 Vict. c. 21, § 5. If the matter of the agreement shall be under the value of £20, the penalty is 20s. 23 Vic. c. 15, § 15. If liable to further duty than 6d., it is subject to the same regulations as deeds. See *Stamping of Deeds*. And the following instruments shall be deemed and taken to be drafts or orders for the payment of money within the intent and meaning of this act, and of any act or acts relating to the stamp duties on bills of exchange, drafts, or orders, and shall be chargeable accordingly with the stamp duties imposed by this act, or any such act or acts, viz. :—

All documents or writings usually termed letters of credit, or whereby any person to whom any such document or writing is or is intended to be delivered or sent, shall be entitled, or be intended to be entitled, to have credit with, or in account with, or to draw upon any other person for, or to receive from such other person any sum of money therein mentioned.

Exemptions from the Duties on Drafts or Orders.—All letters of credit, whether in sets or not, sent by persons in the United Kingdom to persons abroad, authorizing drafts on the United Kingdom.—16 and 17 Vict. c. 59.

DRAFT or ORDER, after 24th May, 1858, for the payment of any sum of money to the bearer on demand, which being drawn upon any banker within 15 miles of the place where such draft or order is issued, was formerly exempt from stamp duty (21 Vict. c. 59).....1d.

All bills, drafts, or orders for the payment by any banker or person acting as a banker of any sum of money, though not made payable to the

Provided always, that any one document or writing, although directing the payment of several sums of money to different persons, shall be chargeable with stamp duty as one order only. 23 Vict. c. 15.

Draft or order, writing or document, for the payment, or for entitling any person to the payment, by or through any banker, of any sum of money, sent or delivered to the banker and not to the person to whom payment is to be made, or any person on his behalf, to be held not to have been and not to be chargeable with any higher stamp duty than one penny, although payable at any time after date. Duty may be denoted by adhesive stamp, to be cancelled as in the case of a draft on demand. 23 and 24 Vict. c. 111, § 17.

Exemptions.—Any draft, or order drawn by any banker upon any other banker, not payable to bearer or to order, and used solely for the purpose of settling or clearing any account between such bankers.

Any letter written by a banker to any other banker, directing the payment of any sum of money, the same not being payable to bearer or to order, and such letter not being sent or delivered to the person to whom payment is to be made, or to any person on his behalf; and all warrants or orders for the payment of any annuity granted by the Commissioners for the Reduction of the National Debt, or for the payment of any dividend or interest on any share in the government or parliamentary stocks or funds; and all drafts or orders drawn by the Accountant General of the Court of Chancery in England or Ireland, shall be exempt from all stamp duty. 23 Vict. c. 15.

Note.—The Act, 17 and 18 Vict. c. 83, § 9,—referring to the English Act, 17 Geo. III. c. 30, and the Acts continuing the same, which make bills, &c., above 20s. and under £5, if not drawn in a particular way, invalid, and those below 20s., absolutely invalid, and not to the Scotch Act to the like effect, 8 and 9 Vict. c. 38, § 16 and 17,—provided that the said Act and the continuing Acts should be repealed, in so far as regards drafts on bankers for money held for the use of the drawer. And the Act 23 and 24 Vict. c. 111, § 19, now provides generally, without special reference to either the English or Scotch Acts, that drafts on a banker who shall *bona fide* hold money to or for the use of the party, payable to bearer or order on demand, of any sum less than 20s. shall be lawful. Do both the above provisions apply to Scotland, or only the latter? The Act 8 and 9 Vict. c. 38, § 20, provides that that Act shall not prohibit draft on a person's own banker for the payment of money to the use of such person.

N.B.—The duty of one penny on drafts or orders may be impressed on the paper, or an adhesive

stamp may be affixed.—16 and 17 Vict. c. 59, § 3. The adhesive stamp may be either a receipt or draft stamp.—17 and 18 Vict. c. 83, § 10. Penalty for removing adhesive stamps or using them a second time, or doing any act to defraud of duty, £20.—16 and 17 Vict. c. 59, § 4 and 5. The payer of the draft or order shall, when he pays it, write the word "paid" on the stamp. Penalty for omission, £20. 23 Vict. c. 15, § 12. Banker may affix stamp to an unstamped draft and cancel it, and pay the draft, charge the person who ought to have paid it with the stamp, or deduct it from the sum. Draft goods, but not to relieve of penalty.—23 and 24 Vict. c. 111, § 18.

Note.—The duty on a foreign bill drawn or endorsed out of the United Kingdom, payable on demand, is the same as on an inland bill payable otherwise than on demand. 23 Vict. c. 15. The word "endorsed" is held by the board of inland revenue to have no practical effect.—*Times*, 20th and 22nd April, 1860.

N.B.—The duties on foreign bills and notes, drawn and made out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp, if one not on it, before he negotiate it, and cancel the stamp by writing his name or the name of his firm and the date on it. If the bill or note be received by the holder with the adhesive stamp effectually obliterated, and purporting and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so as if he were the person first negotiating the bill or note. On his doing so, the bill or note to be deemed duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same, 24 and 25 Vict. c. 91, § 33. The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word "paid" upon the stamp. The amount of duty on the adhesive stamps is impressed on two parts. The board of inland revenue recommend that the cancellation should be on one of the parts, and the other left legible.

If a foreign bill payable abroad, and as to which the provision "drawn in sets of 3 or more" apply, shall be drawn in a single bill, the duty will be the same as on an inland bill, and if in a set of two, the duty on each will be the same as on an inland bill. This is in accordance with the opinion of the board of inland revenue (see *North British Daily Mail*, 3rd November, 1854). But the board have given an opinion that a foreign bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one inland bill of the same amount; that is, if one of the parts have the full duty, the others may be unstamped (see *Times*, 6th November, 1854). The schedule of the act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed foreign bills so drawn, although they may in reality be drawn in the United Kingdom, 17 and 18 Vict. c. 83, § 4. A person in the United Kingdom drawing and issuing a bill pay-

able out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty, £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it, or make it available, *ib.* § 6. This applies only to bills drawn within and payable out of the United Kingdom.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

MANDATE. See PROXY.

MARRIAGE CONTRACT. The leading head under which marriage contracts are chargeable is "Settlement." By the statutory note under this head, it is provided that instruments, containing settlements of lands or other property, or other matter or thing, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties. If definite and certain sums, and shares of stocks, are settled so as an interest to any extent shall be given, which shall certainly take effect, and not be altogether contingent, these are liable to the ad valorem settlement duty. If an annuity is provided to the widows or others, such is liable to bond of annuity stamp duty. Obligations to pay sums to widow, such as for mournings, are liable to ad valorem bond duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the husband, to pay sums to the trustees for the children, if any, would be liable to the bond duty, not settlement duty, being contingent.

And in case the same respectively shall be made, as a security for the payment or transfer, to different persons, of separate and distinct sums or shares,—The ad valorem duty shall be charged for each separate and distinct sum or share therein specified and secured, and not upon the aggregate amount.

And where any such deed or instrument shall be made respectively as a security for the payment of any annuity, or any sum by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent, advanced or paid, as or for or in the nature of a loan intended to be repaid, discharged,

or redeemed, in manner aforesaid,—The same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

TRANSFER, disposition, or assignation of any wadset or other such security, &c.—

Where no further sum or stock shall be added to the principal already secured, if such principal shall not exceed in the whole £1400, the same duty as on a wadset, &c., for the total amount or value of such principal.

RECEIPTS for money amounting to £2 or upwards, 1d. The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III., c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp-duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being any thing formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—
Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.
Receipts written on any bond, mortgage, or other security, or any conveyance, deed or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

N.B.—Receipts for money passing between master and servant are not regarded as liable; but this would not apply to travellers who travelled for several houses.

Receipts for donations are also not considered liable, if the donation is made and the money paid at once.

Note.—Stamps may be impressed or affixed. Where adhesive stamps are affixed, the granter is required to cancel the stamps by writing his name or initials on them. Penalty for omission, £10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty, £20.—(16 and 17 Vict. c. 59, § 3, 4, and 5.)

INVENTORY DUTY.

I. PERSONAL ESTATE:—

All and every person who shall, as executors or otherwise, enter upon the possession or management of any personal or movable estate in Scotland of any deceased person, in whole or in part, shall, within six months, exhibit upon oath in the Commissary Court an inventory, duly stamped, of all the personal or movable estate and effects of the deceased. The inventory and testamentary writings left by the deceased, if any, shall be recorded in the books of the said court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 and 22 Vict. c. 56, § 3 and 8.)

Oaths and affirmations on inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the commissary or his depute, or the commissary-clerk or his depute, or before any commissioner appointed by the commissary, or before any magis-

trate or justice of the peace within the United Kingdom or the Colonies, or any British consul. (21 and 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the inventory of the personal estate in Scotland, the personal estate in England and Ireland. The estate in England and Ireland shall be separately stated in the inventory, and the inventory shall be stamped corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the commissary must find it to be in Scotland. Confirmation, in which shall be included personal estate in England and Ireland, on being produced in the principal Probate Court in England, and the Court of Probate in Dublin, and a copy thereof deposited with the registrar, together with a copy of the interlocutor of the commissary finding that the deceased died domiciled in Scotland, is to be returned sealed, and is thereafter to have the same force and effect in England and Ireland, as if probate or letters of Administration had been granted by these courts. (21 and 22 Vict. c. 56, § 9, 12, and 13.)

The provisions of the act are merely permissive to pay inventory duty on the whole personal estate in Great Britain and Ireland where the deceased died in Scotland, and the like provisions as to the payment of probate and administration duty where the deceased died domiciled in England and Ireland. It is therefore still competent to pay inventory duty on the estate situated in Scotland, and probate or administration duty in respect of the Estate in England and Ireland. In the case of a person dying domiciled forth of the United Kingdom having personal estate situated in Scotland, this mode of paying the duty must be followed, as there is no provision for payment of stamp-duty, in respect of the personal estate in England or Ireland on the inventory, or obtaining confirmation in respect thereof.

If there be any omission in the inventory inferring payment of further duty, an additional inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former inventory. By 16 and 17 Vict. c. 59, § 8, such additional inventory shall be chargeable only with such amount of stamp-duty as, together with the stamp-duty charged upon the former duly stamped inventory of the estate and effects of the same deceased person, shall make up the full amount of stamp-duty, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former inventory. If the estate shall be over-estimated, or something improperly included in the inventory, an inventory on a stamp corresponding to the value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months of the recording of the second inventory,

Personal estate which a person, dying after 3rd April, 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or movable estate of the person so

dying, for the purpose of payment of inventory, probate, or administration duty, 23 Vict. 15, § 4. The duties to be charged on the property, in respect of which the same are payable, and to be paid thereout by the trustees or owners thereof to the executor.

Indian Government Promissory Notes, and certificates issued, or stock in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enforced in India for the purpose of such registration before the death of the owner; also Indian Government Promissory Notes, with coupons attached, in the same circumstances as to registration, and certificates issued, or stock created in lieu thereof, shall be personal estate, and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1), and liable to inventory, probate, or administration duty.

"The inventory and additional inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to her Majesty by the person making oath to said inventory and additional inventory, and his heirs and successors; and if such inventory and additional inventory shall not be exhibited and recorded, the inventory-duty on all the personal or movable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to her Majesty by the person who shall intronit with or enter upon the possession and management of such personal or movable estate and effects, or any part thereof, and his heirs and successors." (23 and 24 Vict. c. 80, § 5.)

II. MONEY SECURED ON HERITAGE, &c.

The Act 23 Vict. c. 15, § 6 (3rd April, 1860), declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with inventory, probate, or administration duty.

The Act 23 and 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Section first gives a description of the property which shall be liable to inventory-duty under the Act of 23 Vict. c. 15, and section 8 further explains what shall be subject to duty. Section 9 of the Act 23 and 24 Vict. c. 80, repeats the Act 23 Vict. c. 15, section 6, in so far as regards probate and administration duty being chargeable in respect of the property, so that now in all circumstances such property is liable to inventory-duty. Section 1 is in these terms—

"All money secured on heritable property in Scotland, and all money secured by Scottish bonds and other instruments, excluding executors, and all money secured by Scottish bonds and other instruments, the rights to which shall be taken

excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3rd day of April, 1860, shall be liable to inventory-duty under the said recited Act."

There are two modes of paying the duty provided for—23 and 24 Vict. c. 80, § 3 and 4—

1. By a "Special Inventory" of the property, to be lodged with the Solicitor of Inland Revenue at Edinburgh (a form of which, with relative oath, is given in the schedule to the Act), stamped according to the amount of property contained in it. The inventory stamp shall be testate or intestate according as the stamp on the inventory of the personal estate shall denote the testate or intestate rate of duty.

2. By adding the amount of the property to the inventory of the personal estate, and paying stamp-duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax payer, and will be followed when the interest in the heritable and movable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

The 5th sect. of 23 and 24 Vict. c. 80, provides, that the inventory-duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

It will be observed that the inventory-duty on money secured on heritage, &c., is limited to such property constituting the succession of a person who shall have died on or after the 3rd April, 1860 (23 and 24 Vict. c. 80, § 1); but the provision for valuing property at the date of the affidavit to the inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all inventories sworn to on or after that date without regard to the date of death.

III. GENERAL OBSERVATIONS.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, &c., duty in respect of the whole may be paid on the inventory required to be recorded in the Commissary Court; or inventory-duty may be paid on the personal property situated in Scotland, and duty may be paid on a "special inventory" of the money secured on the heritage, &c., and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

In case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years, but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid on heritable securities may also

be made in certain circumstances. (See 23 and 24 Vict. c. 80, § 4 and 6. No return to be granted in respect of a voluntary debt due from a person dying after 28th June, 1861, expressed to be payable on the death of such person, or payable under an instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 and 25 Vict. c. 92, § 3.)

LEGACY DUTY.

Legacies, Annuities, Residues, &c.

To children or their descendants, or lineal ancestors,	Duty per cent.
.....	£1 0
Brother or sister, or descendant,	3 0
Uncle or aunt, or their descendant,	5 0
Grand-uncle or aunt, or descendant,	6 0
All other relations or strangers,	10 0

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such nearer relationship. (16 and 17 Vict. c. 51, § 11.)

This duty is payable for every legacy out of the personal or movable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any estate which he has power to dispose of, or out of any monies to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or movable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument.

Annuities commencing to be payable on the death of persons dying after 19th May, 1853, are valued for legacy-duty according to tables annexed to the Succession Duty Act, 16 and 17 Vict. c. 51; and annuities commencing to be payable previous to that date, by the tables annexed to the Legacy-Duty Act, 36 Geo. III. c. 52.

Duty is not exigible on legacies or residues under £20; but if a legatee takes two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount.

N.B.—Printed forms and regulations for payment of the legacy duties will be obtained gratis, on application at the Legacy Duty Office, Inland Revenue, Edinburgh, and at the offices of the distributors of stamps in the country.

SUCCESSION DUTY, 16 and 17 Vict. c. 51.—The duty commenced on the death of persons dying after the 19th May, 1853, and seems to be imposed on all property, both heritable and movable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy-Duty Acts.

The duty on **HERITABLE PROPERTY** is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the

successor (§ 21), which is to be valued by tables annexed to the act.

PERSONAL PROPERTY is liable to duty according to the value of the succession, and money charged on heritage—heritable securities—is chargeable as personally (§ 1).

RATES OF SUCCESSION DUTY.

Lineal issue or lineal ancestor of the predecessor, £1 per cent.

Brothers or sisters of the predecessor and their descendants, £3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants, £5 per cent.

Brothers and sisters of a grandfather or grandmother of the predecessor and their descendants, £6 per cent.

Any other person, £10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also exemptions from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

Note.—Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

DISCOUNT ON THE PURCHASE OF STAMPS.

To persons who, after 31st December, 1860, at one and the same time, shall produce at the office of Inland Revenue in London or Dublin, paper to be stamped with, or shall purchase at the said office in London, Edinburgh, or Dublin, stamps to the amount of £2 or upwards, or of any distributor or sub-distributor of stamps at any place not within the distance of ten miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on Bills of Exchange, Drafts or Orders, or Promissory Notes, or stamps, for denoting the duty of one penny on any instrument or document whatever (except postage stamps and customs stamps), an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps—(23 and 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any

charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp-duty, £10.—1b. § 25.

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from twelve noon to two P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Glasgow, Greenock, Inverness, Perth, and Wick.

A supply of forms of affidavits is kept by the solicitor and the above distributors, and claimants may attend at the solicitor's office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a justice of the peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged, unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III. c. 133.

Unsigned instruments are allowed, if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped.—See 53 Geo. III. c. 108. In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the commissioners of Inland Revenue should be lodged with the affidavit. The commissioners, by 3rd and 4th Will. c. 97, sect. 19, may, if in their discretion they think fit, refund in money the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within

three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty, or deficiency of duty, shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp-duty remaining payable on it, and, over and above such duty, a penalty of £10, and if the whole amount of said duty or deficiency shall exceed £10, then in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty.—13 and 14 Vict. c. 97, § 12.

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the commissioners.—13 and 14 Vict. c. 97, § 13.

Adhesive Stamps.—Where adhesive stamp may be affixed to any instrument, an officer of Inland Revenue, authorized by the commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument not affected by this provision. (24 and 25 Vict. c. 91, § 32.)

N.B.—Instruments to have stamps impressed are received at the solicitor's office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date (the solicitor may in certain circumstances receive them within two months of the last date), on payment of the duty; if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule, and, after being filled up, it is to be presented, along with the instrument, at the solicitor's office, No. 5, Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the solicitor's office; and, afterwards, he pay it, and the penalty, if any, to the cashier, No. 3, lobby.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented, and a fee of 10s. paid. The duty or insufficient duty which the commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the commissioners may be appealed against to the Court of Exchequer at Westminster, on the stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict. c. 97, § 14 and 15.) The commissioners may also adjudge on deeds not liable to any stamp-duty; and if any duty is assessed the party may appeal. (16 and 17 Vict. c. 59, § 13.)

N.B.—Instruments are received for adjudication at the solicitor's office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (see above). The mode of proceeding is as follows:—The sum of ten shillings for the adjudication stamp is first to be paid to the cashier, No. 3, lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and a copy of it, written on foolscap paper, omitting the bounding description of lands, &c., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences, are to be left at the solicitor's office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock only. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the solicitor's department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the cashier, No. 3, lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the solicitor's office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a week to the head office. The principal instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

SHERIFF SMALL DEBT COURTS,

For the recovery of debts not exceeding £12, sits every Monday, Wednesday, and Thursday, for Glasgow, on Tuesdays for Lanark and Airdrie, and Fridays for Hamilton, and have jurisdiction over the whole of Lanarkshire. The defenders are cited before this court on an induciæ of six days; warrants to arrest on the dependence are issued; the decree may be extracted, and arrestments used upon it instantly; and it may be enforced, in all cases, by pointing and sale of the debtor's effects, and when above £8 6s. 8d. by imprisonment, all ten free days after its date. In case of the debtor removing to a different county, the decree may be enforced against him there, on being endorsed by the Sheriff Clerk of the county to which he removes. Judges—Sheriff and Sheriff-Substitutes of the county.

Note—An act was passed in 1840, abolishing imprisonment for debts under £8 6s. 8d., excepting claims of aliment.

FORM OF PROCEEDING IN THE RECOVERY OF SMALL DEBTS.

Debts may be recovered in a summary manner before the Justice of Peace Court to the extent of £5; and before the Sheriff Courts to the extent of £12.

The first step is set forth in a complaint or libel, agreeably to a prescribed form (the Clerks of Court will provide the necessary forms), the origin of the debt, or ground of action; and to cause the same, with a copy of the account, if any, to be served on the defender.

A warrant will, at the same time, be obtained to cite witnesses.

The parties may appear either by themselves or by members of their families, or others whom the court may authorise; but in no case by persons

practising the profession of the law, or by officers of Court, without special leave of the Court, on cause shown.

If the defender fail to appear after being cited, he will be held as confessed, and judgment will be given against him.

But when decree is given in absence against the defender, he may, before the expiry of the charge, apply for a rehearing, on consigning the sums decreed for in cases before Justices, and in cases before Sheriff by consigning 10s. of expenses, on applying within three months from date of charge.

If decree in absence be given against the pursuer, he may, within one month, obtain a rehearing on consigning 2s. 6d., if the case be before the Justices; and the expenses decreed for, with 5s. to meet further expenses, if the case be before the Sheriff.

The case will be adjourned upon the pursuer or defender offering a suitable excuse, or if any witness be absent.

If decree be given against the defender, diligence may proceed against him by arrestment instantly; and by pointing and sale, and, if above £8 6s. 8d., by imprisonment, all at the end of ten days before the Sheriff; and by pointing and sale instantly, before the Justices.

If decree be given against the defender in his absence, pointing and sale, or imprisonment, as above, can only follow after a charge of ten days.

The defender, on showing cause, may be allowed to pay the sums decreed for by instalments.

The decrees of the Sheriff and of the Justices may be executed in any county, on the same being endorsed by the clerk of such county.

Any arrestment used in cases before the Sheriff must be used within sixty days after the warrant is obtained, and renewed every three months; and such arrestments may be loosed, on offering sufficient caution, or on showing evidence of absolvitor or payment, or on consigning the sums demanded, if before decree.

The above forms will apply to any action of forthcoming whatever, before the Sheriff, for making effectual arrestments; but in such actions both the defender and arrestee must be cited to appear in court on the same day.

Decrees, pronounced in this summary form by the Sheriff, will only be reviewable by the next Circuit Court of Justiciary; or if there be no Circuit Court, by the High Court of Justiciary at Edinburgh, on the ground of corruption, or malice, or oppression, on the part of the judge.

Such decrees, when pronounced by the justices, will only be reviewable by a reduction before the Court of Session, on the ground of malice and oppression on the part of the justices, and such reduction will only be competent for one year, and finding caution for costs.

No person is exempt from the jurisdiction of justices or sheriffs in such cases, by reason of privilege as a member of the College of Justice.

ESTABLISHMENT OF BURSARIES.

The Faculty beg to direct attention to certain Bursaries, each of the value of Ten Pounds per annum, to endure for three years, which they have established for the purpose of affording encouragement to young men desirous of prosecuting their legal training in the offices of writers in Glasgow.

The committee of management will, on 1st August next, issue to every candidate who shall have then intimated to the secretary his intention to compete, a notice of the exact time and place in

Glasgow at which the competitive examinations will take place.

The candidates, at the time of their examination, must not be under 16, and not more than 19 years of age, and shall have been at least one year employed as a clerk or apprentice by some member of the legal profession in Glasgow.

The subjects of examination which shall be deemed essential are—English Reading, Grammar and Composition, Writing to Dictation, Arithmetic, Geography, and the Rudiments of Latin.

BAILLIE'S INSTITUTION

Was founded by Mr. George Baillie, writer in Glasgow, who divested himself, in his lifetime, of his whole fortune (£18,000), with its accumulations during twenty-one years, from 10th December, 1863, to endow his said institution for the *self-culture* of the operative classes in Glasgow, of both sexes, by means of *Free Public Libraries* and *Reading-Rooms*, over the city and suburbs; and for the *tuition* and *training* of their children in schools *strictly unsectarian*. The Dean, Councillors, and Clerk of the Faculty of Procurators in Glasgow are perpetual Preceptor, Patrons, and Directors of the institution, which is at present in the course of confirmation by special Charter from the Crown.

GLASGOW AUXILIARY TO THE PROTESTANT ORPHAN REFUGE (IRELAND),

For the Education and Support of the Destitute Orphans of Mixed Marriages.

Founded in Glasgow in 1855, by Mrs. Fredk. M. Kinnier, honorary secretary for Glasgow Auxiliary.

The object of this society is to provide diet, lodging, clothing, and scriptural education for destitute orphans who have had but one Protestant parent, and for whom Protestant sympathy and protection is most earnestly sought.

The orphans adopted by this society are domesticated in respectable Protestant families throughout the country, under the care of the clergymen of the respective parishes, and when fit, are apprenticed to Protestant masters and mistresses, of approved character. The annual expense of each child, under this system of management, does not exceed £6; and any benevolent individual, by collecting or guaranteeing this sum annually to the society, can nominate an orphan to be brought up under its care. Orphans are eligible from all parts of the kingdom where no local provision can be made for their protection.

For the support of the orphans under the care of this society the committee are dependent on Christian benevolence from year to year; the principal source of income being the kind exertions of gratuitous collectors.

Donations and subscriptions will be thankfully received and acknowledged by Mrs. F. M. Kinnier, 19 Claremont Street, North, honorary secretary of the Glasgow Auxiliary for Ireland; and at the office of the society, 9 Upper Sackville Street, Dublin.

The Magistrates also recommend to the inhabitants to keep the hatchway, or other access to the roof of their houses, properly secured, and not to intrust the key to any chimney-sweeper who has not a badge, in order to prevent theft and destruction to property.

LIFE DEPARTMENT.

THIS Company offers to the Public the security of an ample paid up Capital, and Accumulated Fund of ONE MILLION AND A HALF STERLING, with an ANNUAL REVENUE OF £200,000 from the *Life Branch alone*. Four-fifths, or 80 per cent. of the Profits, are appropriated to the holders of all Policies of £100 and upwards, every Fifth Year, and *without responsibility of partnership*.

AMOUNT PAID FOR LIFE CLAIMS SINCE THE OFFICE WAS ESTABLISHED, £3,740,000.

The share of profits allotted to each Policy may be added to the sum insured, and payable at the death of the Life—or its present value in cash may be received—or an equivalent reduction of the future Annual Premium obtained—at the option of the Assured.

Assurances are effected at lower rates, without participation of Profits.

LOANS.

Loans are granted by the Company on Life Policies, on approved personal security, and Advances are also made on the security of Policies of adequate value.

VOLUNTEER CORPS.

Persons insured with this Company are at liberty to serve in any Volunteer Corps, within the United Kingdom, without prejudice to their Policies.

“DAYS OF GRACE.”

By the condition of the Company's Policies, *invariably acted upon for upwards of Fifty Years*, the period for Payment of Premiums is not only extended to the days of grace, without forfeiture of the Policies, but the sums insured are recoverable, the same as if the claim had arisen at any time previously.

NO CHARGE FOR LIFE POLICY STAMPS OR MEDICAL FEES.

—
FIRE DEPARTMENT.

Insurances effected on Property situate in any part of the United Kingdom, at the usual rates. Manufactories and all Risks of a similar nature, insured by special agreement, on the most favourable terms.

Losses by explosion of gas are made good by this Company.—Steam Thrashing-machines allowed on Farms, without extra charge.

THE PREMIUMS at early and middle ages, are about a fourth lower than in the other Mutual or Participating Offices. They are as low as the *Non-participating* rates of the Proprietary Companies, which they admit of being, not only with safety, but with ample reversion of Profits to the Policy-Holders—being free from the burden of Dividends to Shareholders.

EXAMPLES OF ANNUAL PREMIUMS TO ASSURE £100 AT DEATH, WITH PROFITS.

Age—25	30	35	40	45	50
£ s. d. 1 18 0	£ s. d. 2 1 6	£ s. d. 2 6 10	£ s. d. 2 14 9	£ s. d. 3 5 9	£ s. d. 4 1 7

Thus a person of 30 may secure £1000 at death for a yearly Payment of £20 15s., which if paid to any of the other Mutual Offices, would secure a Policy for £800 only.

The arrangement by which the Premiums are reduced to a rate commensurate with the risk, is obviously more suited for securing a competent family provision, in case of early death, than that which, by the same yearly outlay, secures a much smaller present sum, with the hope only of prospective and contingent additions.

THE PROFITS are divided on a principle at once safe, equitable, and favourable to good lives—the Surplus being reserved for those members who alone can have made surplus payments; in other words, those whose Premiums, with accumulated interest, amount to the sums in their Policies.

In this way Policies originally for £1000 which have shared in two Septennial Divisions, have been increased in some instances to £1780.

To the close of the year 1864 there had been issued 14,271 Policies, assuring £6,521,518. The accumulated Fund, arising entirely from Premiums, exceeds £1,023,500.

In all points of practice—as in provision for the indefeasibility of Policies, facility of license for travelling or residence abroad, and of obtaining advances on the value of the Policies—the regulations of the Society, as well as the administration, are as liberal as is consistent with right principle.

Reports explanatory of the Principles, with every information, may be had on application at the Head Office; or at the

This Company having been established more than Fifty-six years, ample time has elapsed to prove the soundness of the principles on which it has been conducted; during that period its operations have attained great magnitude, and it has enjoyed much prosperity.

LIFE DEPARTMENT.

The accumulated Premiums amount to nearly £1,700,000. The Annual Income exceeds £180,000. BONUSES have been declared on some Policies to an amount GREATER THAN THE SUM ORIGINALLY ASSURED.

PREMIUMS HAVE BEEN EXTINGUISHED, where the parties assured have applied the Bonus in reduction of the Annual Premium.

At the valuation up to Christmas, 1859, there existed a SURPLUS of £270,295—the whole of which belonged to the Policy-holders; the 1864 valuation will be declared in July.

The next valuation will be made up to Christmas, 1869. The sum of £4,013,693 has been paid during the existence of the office for claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons assuring in Great Britain have the option of—

PARTICIPATING RATES OF PREMIUM, or of NON-PARTICIPATING RATES.

The rates of Premium have been adjusted in accordance with a long experience, and bear equitably on all ages, and additional facilities are now offered both for the payment of the Premium, and of the amount assured.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Combined Provision may be made for Old Age and Early Death, so that a person may secure a sum of money *for himself*, to be paid at a stipulated Age, if he should live so long, or to be paid to his Executors if he should die before that age. This feature in the ATLAS OFFICE arrangements deserves particular attention, as likely to meet the requirements of a large number of persons.

No extra Premium is required for the voyage to or residence in any part of Europe during peace; nor on the lives of persons in the Army or Navy while residing in the United Kingdom in time of peace.

Residence in countries beyond the limits of Europe is allowed on favourable terms; in most temperate climates without extra premium; a moderate charge being made for the voyage only.

Whole World Assurances are granted.

FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at rates of Premium and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other. The Directors can confidently refer to the well-known character of the Company for liberality and promptitude in the discharge of claims made upon it during the Fifty-six years it has been established.

Mills, Manufactories, Sugar-Houses, Distilleries, Warehouses, Stores, Ships Building, Ships in Harbour, Houses, Furniture, Stock-in-trade, &c., assured for the year, or any shorter period

The policies of this Company cover losses occasioned by the explosion of gas. Losses occasioned by Lightning will also be paid.

Tables of Rates, Forms of Proposal, and any information needful to effect Life or Fire Assurances may be obtained on application to the Office, No. 92 Cheapside, London; or to any of the Company's Agents.

THE CALEDONIAN INSURANCE COMPANY was established so far back as the year 1805; it is consequently the oldest Scotch Office. Its experience extends over a period of nearly 60 years; and the success which has attended its operations during that time, combined with the continual accession of business, shows the confidence that is placed in its stability and management. Its incorporation is by Royal Charter, as well as by act of Parliament; and from its ample Capital and Large accumulated Funds the most undoubted security is afforded.

Claims satisfied three months after proof satisfactory to the Directors has been afforded of the demise of the Party; but, if required, they can be settled immediately on being admitted, subject to the usual discount.

POLICY HOLDERS incur no liability of Partnership, the Company being a proprietary one.

FIRE DEPARTMENT.

THE COMPANY INSURES HOUSES, MANUFACTORIES, RENTS, FURNITURE, GOODS AND MERCHANDISE, FARMING STOCK, AND SHIPPING, IN PORT OR DOCK OR WHILST BUILDING, FROM LOSS AND DAMAGE BY FIRE, UPON LIBERAL TERMS.

Farming-Stock Insurances are free from the Government duty, and the Premium thereon is, subject to average, 4s. 6d. per cent.; otherwise 5s. is charged. In either case, the use of a Steam Threshing Machine is allowed.

Losses by Gas Explosions admitted, and property burnt by *Lightning* paid for.

Claims are adjusted with liberality, and settled with promptitude.

No Charge is made for Policies when the sum insured amounts to £300, or when the insurance is transferred from other Companies.

Every information cheerfully given at the Head Office, and at any of the Branches or Agencies.

IN ADDITION to the ordinary Business transacted by Fire and Life Assurance Associations, this Society is specially authorized by its Act of Parliament to Guarantee Officials in every Department under Government, and is the ONLY SOCIETY whose Guarantee Policies are accepted by GOVERNMENT.

The COMBINATION of GUARANTEE with LIFE ASSURANCE, which is a feature introduced by this Society, affords important advantages to the Assured, as considerable reductions are made on the Guarantee Premiums (in some cases equal to the whole Annual Payment), depending upon the relative amounts of the Life and Guarantee Risks.

ANNUITIES are Granted by the Society, either as Immediate, Deferred, or Reversionary, upon liberal terms. The following will show the *Immediate* Annuity granted for every £100 at the respective ages:—

THE Company, established in 1823, has existed upwards of forty-one years, and has been Incorporated by Act of Parliament, for the purpose of carrying on the business of Life Assurance in all its branches, on the most liberal and improved principles. The success which has attended the Company since its commencement, and its annually increasing prosperity, is a gratifying proof that the principles upon which it is founded are calculated to confer great benefits on Assurers.

The following are the principal advantages given by the Company :—
MUTUAL ASSURANCE, without Liability. See English Law Cases for Call on the Policy-holders in a Mutual Insurance Society for Debts of the Society.

The guarantee of a responsible body of Proprietors, either personally or otherwise, assured with the Office, affords the most undoubted security to all classes of Assurers, in addition to the accumulated and invested fund of the Company, now considerably above £900,000.

NINE-TENTHS of the WHOLE PROFITS Septennially divisible among the Assured.

AN INTERMEDIATE BONUS, subject to an Annual Declaration, between one investigation and another.

All the advantages of an Annual Division are thus given, without its attendant evils.

THE MOST EQUITABLE PRINCIPLE OF DIVISION.

The greatest benefits are thereby bestowed upon all *first class lives*, by no undue Bonus being paid away to those *who may die early*.

RATES OF PREMIUM EXTREMELY MODERATE.—The non-participation scale very favourable for security on Loans, or for *partnership* Insurances.

Under Five Declarations of Bonus, the last of which was made at 31st August, 1863, the following are a few examples of Total Bonus Additions declared on some of the existing Policies of the Company, according to age and endurance :—

No. of Policy.	Age at Assuring.	Sum Assured. £	Total Bonuses, 31st Aug., 1863.			Rate per Cent. of Bonus.

Later Entrants have received Bonuses proportionate to their endurance and payments.

Bonuses may be surrendered for Cash, or applied in reduction of the annual premiums. By this latter course, several of the oldest Policy-holders have redeemed their Premiums, with a Bonus still attaching to the Policy, and *increasing*.

LIFE DEPARTMENT.

THE Arrangements of this Office are based on principles that have been verified by experience.

The Rates for Assurance of fixed sums are very moderate.

Extra Premiums for Foreign Residence have been dispensed with to a great extent, and a very important rule has been adopted to protect the interests of parties holding Policies on the Lives of others, who may incur extra risks without the knowledge of the holders.

For surrender of Policies of the ordinary class, after three years' endurance, a liberal return of Premiums according to a fixed rule, is *guaranteed*, besides the value of vested Bonuses where such have been declared.

According to the constitution of the Company, Investigations must be made at intervals not exceeding five years. The last Investigation took place at 31st January, 1862, when Bonuses were added to all Assurances of the Participation Class; and the following results of this and previous declarations may be stated.

1. A Policy for £1000 on which 7 years' premiums had been paid was increased in 1862, to £1098 2 10
2. A Policy for £1000 on which 12 years' premiums had been paid was increased to £1170 15 7
3. A Policy for £1000 on which 17 years' premiums had been paid was increased to £1243 19 1
4. A Policy for £1000 on which 22 years' premiums had been paid was increased to £1139 16 2

A further Bonus is also payable on Policies, to which vested additions have been made becoming Claims before next Investigation—an arrangement which secures for such case advantages similar to those of Annual Investigations.

POLICIES are indisputable after five years, if the age of the Assured is admitted.

PROGRESS OF THE COMPANY.

THE following Statements exhibit the Progress which has taken place in the Company's Business, in both Departments, during the last few years.

LIFE DEPARTMENT.

For the Year ending 31st July.	No. of New Life Policies issued.	Insuring.	Yielding of New Premiums.		
			£	s.	d.
1862	915	427,330	13,197	9	1
1863	1071	488,264	15,382	1	0
1864	1116	514,425	17,039	1	6

It thus appears that, during the three years since 31st July, 1861, forming the commencement of the current quinquennial period, there have been issued 3102 Life Policies, insuring the large sum of £1,430,019.

DIVISION OF PROFITS.

Each five years every Policy-holder entitled to participate receives a share of the Surplus in exact proportion to the Premiums paid during the five years, with accumulated interest thereon. The share of Profits so allocated is then converted into a Reversionary Bonus, according to the age of the party.

While this system gives to each an exact proportion, it will be found alike favourable to young lives, whose prospects of longevity are greater, and to parties entering at middle life or the more advanced ages; the Premiums paid by them being higher than at early ages.

NEXT DIVISION TAKES PLACE IN 1866.

FIRE DEPARTMENT.

In this branch of the Company's Business the Revenue has increased upwards of 50 per cent. during the last seven years, and now amounts to £54,000.

The Revenue of the Company from all sources is now £194,000, and has been derived from Business transacted in the United Kingdom alone—the Company not having any Foreign Agencies. When this fact is kept in view, as well as the active competition existing among Insurance Companies, it cannot but be regarded as very satisfactory that this Company has not only maintained, but has highly increased its Business and Revenue during the past year.

At the last Division of Profits the REVERSIONARY BONUS in DEPARTMENT I. ranged, according to the age of the Assured, from 35 to 86 per cent. on the amount of Premiums paid. The System adopted by this Institution gives to the Assured every advantage Life Assurance is capable of affording; and the success with which it has been attended, arising from its extended connection, and the safe and liberal principles on which it is founded, is sufficiently proved by the fact, that it has issued

Upwards of 39,000 Policies, and during the last Three Years upwards of SEVEN THOUSAND New Members have joined the Society.

THE Directors invite the attention of the public to the advantages which this Company affords to Life Assurers.

- 1st. A LARGE SUBSCRIBED CAPITAL.
- 2nd. LARGE RESERVE FUNDS.

Opinion of the Chancellor of the Exchequer.

THE CHANCELLOR OF THE EXCHEQUER

In moving the adoption of the recent Government Annuities Bill in the House of Commons, entered into the question of "the manner in which business is transacted by Offices of the *highest* class, and "the reserves they think it necessary to hold in order to give themselves a secure position," and was pleased in his remarks on this class of Offices to draw special attention to "*the very sufficient and satisfactory accumulation*" held by the LANCASHIRE Insurance Company.

The value of the *Chancellor's* remarks in speaking of this Company, is unquestionable from the fact that the accounts of the Companies are all rendered to Government in one form, and much fuller in detail than those generally given to the Public.

- 3rd. MODERATE RATES OF PREMIUM.
- 4th. LARGE BONOUSES.

The Life Premiums charged by the LANCASHIRE are much lower than those of many other first-class Offices, and this difference in Premium is equal to an immediate Bonus on all Policies issued by the Company. When to this is added the amount of Bonuses actually granted on LANCASHIRE Policies, the great advantage to be derived from assuring with the Company becomes self-evident.

The following example is taken from the Books of the Company:—A gentleman, aged 23, Assured his life in the year 1853 for £1000 with the LANCASHIRE, paying an annual premium of £19 12s. 6d. Had he taken out this Policy in one of the old Mutual Offices he would have had to pay annually £22 7s. 6d.

The £22 7s. 6d. required by the other Offices to Assure.....	£1000
would Assure in the LANCASHIRE,.....	1140

thereby securing an immediate Bonus of	£140
--	------

Since 1853, the LANCASHIRE have declared two Bonuses, which on a Policy of £1140 amount to	143
--	-----

which added to the above gives.....	£283
-------------------------------------	------

which addition of £283 on a Policy of £1000 very far exceeds the largest Bonus given by any Office during the last ten years.

COLONIAL AND FOREIGN ASSURANCES.

THE COLONIAL LIFE ASSURANCE COMPANY was established at Edinburgh in 1846, and introduced new and important features into Life Assurance practice, by publishing rates calculated for Foreign residence, and by establishing Agencies abroad, thus affording increased facilities to persons whose views or occupations might lead them to travel or reside in other countries. By its means, also, the benefits of Life Assurance were extended to India and the Colonies of Great Britain generally, on such beneficial terms, and under such liberal conditions, as improved knowledge and the circumstances of the times authorized and required.

The progress of the business has been most successful and satisfactory in every respect, and its extent has proved how greatly such an institution was wanted.

THE RATES OF THE COMPANY for Colonial and Foreign residence will be found moderate; and looking to the facilities and advantages afforded by the Company, they may be considered more advantageous, and virtually less expensive, than those of any other Office doing business abroad.

For the purpose of giving increased facilities, also, in the Company's transactions, the Directors have formed Local Boards of Management, and Branch Offices, in India and the Colonies, where Assurances may be effected, Premiums paid, and Claims settled.

HOME ASSURANCE.

THE DIRECTORS of the COLONIAL LIFE ASSURANCE COMPANY having directed much attention to the CLASSIFICATION OF RISKS in connection with LIVES ABROAD, in which they have been most successful have turned their attention to the CLASSIFICATION OF HOME RISKS, so as to give Professional Men, and settled persons of all classes whose occupations are not likely to call them beyond the limits of Europe, the advantage and privilege of possessing Policies, unfettered by restrictions as to foreign residence, on terms which the absence of such extra risks authorize them to adopt.

The Directors have, in accordance with these views, resolved to grant to persons resident in this country whose occupation, profession, or calling infers a residence in the United Kingdom, and who declare that they have no intention of going abroad,

Policies Without any Restriction as to Residence.

It is not possible to state exactly the Professions which this class will embrace, and much will depend on the features and particulars of each case; but the Directors may mention a few Professions and Occupations which the new Class will include:—COUNTRY GENTLEMEN, BARRISTERS AND ADVOCATES, SOLICITORS, AND OTHER LAW AGENTS, SETTLED MEDICAL PRACTITIONERS, BENEFICED CLERGYMEN, MANUFAC-

TURERS, AGRICULTURISTS, RETAIL SHOPKEEPERS, and others of like position; it being a rule, however, that no policy under this class shall be issued on the life of any one below the age of 25, unless he shall have settled in life.

The Home Rates of premium are moderate. For example—

	Age 25.	Age 35.	Age 45.
With Profits,.....	£2 1 0	£2 13 10	£3 14 2 per cent.
Without Profits,.....	1 17 7	2 9 4	3 7 11 "

DIVISION OF PROFITS.

The first Division of the Company's Profits took place as at 25th May, 1854, the second as at 25th May, 1859, and the third as at 25th May, 1864, when large additions were made to all Policies effected in the Participation Scheme of the Company, as shown in the following Table, the example being Policies of £1000:—

Policies opened before	Original Sums Assured.	Bonus.			Total Bonus Additions.	TOTAL.
		Eight Years, 1846 to 1854.	Five Years, 1854 to 1859.	Five Years, 1859 to 1864.		
25th May, 1847...	£1000	£160	£75	£75	£310	£1310
" 1849...	1000	120	75	75	270	1270

" 1853...	1000	40	75	75	190	1190
" 1855...	1000	—	75	75	150	1150
" 1857...	1000	—	45	75	120	1120
" 1859...	1000	—	15	75	90	1090
" 1861...	1000	—	—	60	60	1060
" 1863...	1000	—	—	30	30	1030
" 1864...	1000	—	—	15	15	1015

The additions to Policies of larger or smaller amount are in the same proportion.

Those who do not wish to add the amount of the Bonus to the sum assured, are permitted to take the value of the addition in a present sum, or to apply its value for five years to the reduction of the Annual Premium.

THE PRESENT INCOME of the Company is upwards of One Hundred and Forty-five Thousand Pounds Sterling per annum, and the ACCUMULATED FUND upwards of Five Hundred and Fifty-five Thousand Pounds Sterling.

Every information regarding the Company will be furnished on application to any of the Branch Offices or Agencies.

Invalid and Diseased Lives.—In cases of invalid and diseased Lives, where an extra premium might reasonably be required, the ordinary rates *only* are charged, subject to the simple condition that in the event of a claim occurring considerably prior to the age to which, as a *first-class* life, the assured might have been expected to attain, such a deduction be made from the sum assured as shall be agreed upon in lieu of the extra premium remitted.

Application of Profits.—All bonuses will be applied upon the principle of converting the assurance into an endowment payable during the lifetime of the Assured. For instance, assuming a party to have assured at the age of 30, and become entitled to several bonuses during the succeeding ten years, the sum assured might be payable absolutely to himself at say 60, or at even an earlier period by further periodical divisions of profits.

Surrender of Policies.—40 per cent. of the Premiums paid upon any Policy, of not less than four years' duration, will be at the disposal of the Assured at any time, either as a surrender value or advance upon the Policy, or, if preferred, a paid-up Policy equivalent to this value will be issued instead.

Active Agents wanted throughout Scotland. The rate of commission allowed being on a liberal scale, and the favourable features to the public in this Company's Policies, renders their Agency in the hands of respectable and energetic parties a valuable appointment.

Applications for Agencies, and all other communications connected with the Company's business in Scotland, to be addressed to the Resident Manager at the office, 4 Howard Street, Glasgow.

Liberal Commission allowed to Solicitors, Factors, Accountants, and others introducing business.

SPECIAL NOTICE.—THE BONUS YEAR.

APPROACHING DIVISION OF PROFITS.

THE SEVENTH DIVISION

of the PROFITS of

The Standard Life Assurance Company

is appointed to be made at 15th November, 1865, and all Policies now effected will Participate. THE FUND to be DIVIDED will be the PROFITS which have arisen since 15th November, 1860

A Policy effected before 15th November, 1865,

will not only participate in the Approaching Division of Profits, but will secure One Year's Additional Bonus, at all future Divisions, over Policies of a later date.

Annual Revenue (1864),.....	£437,380 0 8
Accumulated and Invested Fund,.....	£2,620,272 17 9

THE POLICIES OF THE STANDARD LIFE ASSURANCE COMPANY ARE MORE VALUABLE THAN ORDINARY POLICIES,

inasmuch as they are free from extra Premiums in the case of Foreign residence, when the Directors are satisfied there is no intention or prospect on the part of the Assured to reside abroad. They are also free from other restrictive clauses. These are great benefits. Take as an example a life-renter who assures his life. In ordinary Policies he is limited to residence in Europe, and his Policy is subject to forfeiture on various grounds. A STANDARD *Free Policy*, once obtained, contains but one condition—payment of the Premiums, and for that, too, increased facilities are given; while, at the end of five years, the Assurance Deed becomes—as regards any question—a simple promise to pay on proof of death. If the Policy is to be made the Basis of a Marriage Contract, or to be a security in any way, the advantage of a free Assurance is undeniable; and in the present day every Policy, it may be said, becomes in the course of its existence, in some way or other, the groundwork of a responsible transaction.

THE PROFITS OF THE COMPANY

have been divided on six occasions—in 1835, 1840, 1845, 1850, 1855, and 1860—when large additions were made to Policies under the peculiar modes of division adopted by the Company, which is essentially Tontine, affording very important advantages to Assurers.

Assurers have the choice of two Schemes, each of which has its peculiar and distinctive advantages:—

CLASS A, or ORDINARY LIFE ASSURANCE, namely, Life assurance with some at least of the ordinary Conditions and Restrictions in Residence in Occupation. The Association's conditions are, however, much more liberal than those of many other Offices. This scheme is to be distinguished from others also by the favourable mode of allocating profits *annually in cash* amongst the Policy-holders during their lives—the annual payments for the policies being thereby considerably reduced. The Lists are closed annually on 5th April.

CLASS B, or UNCONDITIONAL LIFE ASSURANCE, namely, Life Assurance almost without any Conditions or Restrictions. This class is, however, not intended for persons residing in, or likely to proceed to, unhealthy climates, or who may be exposed to unusual hazard. The Profits allocated to the Policies under this scheme will be *Bonus Additions* to the Sums Assured. The Divisions of Profits will be made every five years, the first in 1865; and the Lists of Policies are closed for each year on 5th December.

Letter [A] Machine.—This Sewing Machine is very differently arranged from any other, and is ornamented in the best style of art. It is designed to be inclosed, when desired, in a highly finished and richly decorated cabinet case. It is very popular as a Family Sewing Machine, especially in large household establishments, where a considerable proportion of heavy work is to be done, as well as light sewing. For Shirt and Collar Manufacturers, Cloak, Mantle, and Dress Makers, and light Manufacturing in general, these Machines richly deserve the commendation which they are receiving on every hand.

Our Machines combine all the latest improvements, and will Stitch, Hem, Gather, Fell, Bind, Embroider, Braid, Tuck, Frill, or Cord, with great rapidity and neatness. The large number of them in use, with constant increasing demand from all parts of the Kingdom, fully establish their merit and superiority for all descriptions of work. Simple in construction, compact, beautiful in design, not liable to get out of order, stitches the same on both sides, and will not ravel. An elegant piece of furniture, useful, and indispensable to every family, as alike to the Manufacturer. Its use imparts healthful exercise, pleasant amusement, as also most beautiful and pleasing work.

Citizens, and the Public in general, will do well to call (before purchasing elsewhere) and inspect these Machines, at

"THE ARTIZAN"
PATENT OFFICE
AND
DESIGNS REGISTRY,
(OFFICE OF "THE ARTIZAN" FOR SCOTLAND.)

W. R. M. THOMSON & CO., 20 BUCHANAN STREET, CONSULTING ENGINEERS AND PATENT AGENTS, in connection with WILLIAM SMITH, Esq., C.E., Director of the Artizan Patent Office, London, Proprietor and Editor of the *Artizan*, a Monthly Record of Engineering and the Industrial Arts.

The Subscribers beg to announce to Engineers, Inventors, Patentees, and others, that they execute and transact all work and business connected with the obtaining of BRITISH, COLONIAL, AND FOREIGN LETTERS PATENT FOR INVENTIONS, THE REGISTRATION OF DESIGNS, AND ALL OTHER PATENT AGENCY BUSINESS, AS WELL AS THE MAKING OUT OF PLANS AND SPECIFICATIONS OF ALL KINDS OF MACHINERY, IN THE MOST CORRECT AND EFFICIENT MANNER, AND THAT AT THE LOWEST POSSIBLE CHARGE.

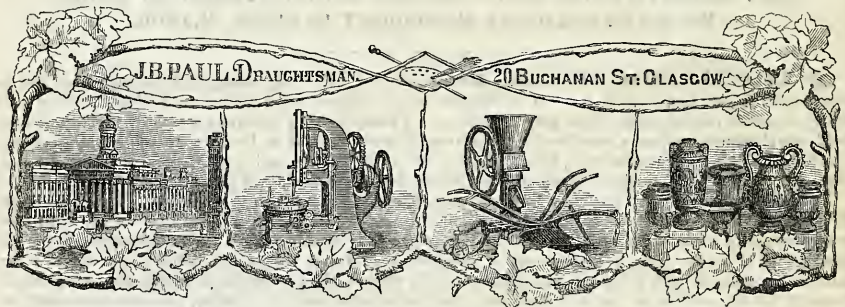

The extensive practical experience acquired by Mr. W. R. M. T. as a Mechanical Engineer since 1833, and also as a Patent Agent, gained during the management of the Engineering and Drawing Department of the Business of the late Wm. Johnson, Esq., since 1849, which has given him such an intimate knowledge of most of the valuable Patented Inventions connected with Textile Manufactures and Machinery of every description, as will enable him to give the most reliable opinions and advice as to the *novelty or validity of Patentable or Patented inventions*, and also as to all *questions of infringements*; together with having in Mr. Smith so valuable a coadjutor, whose well-known authority on all scientific and legal matters connected with Patents, and the extensive connection formed by him in the course of his long practice in nearly every country where Patents are granted, will, it is hoped, be a sufficient guarantee that all business intrusted to them will be executed in the most *careful and efficient manner*.

Persons at a distance can receive protection by furnishing rough descriptions of their Inventions, and have the necessary papers forwarded to them for signature, as well as by personal attendance.

All general information in reference to Patents given free on personal application, or by letter, when an addressed stamped envelope is inclosed.

The ARTIZAN supplied, and all business for it in Scotland may be transacted through the Subscribers,

W. R. M. THOMSON & CO., 20 Buchanan Street, Glasgow.

CHURCH HARMONIUM-ORGAN BUILDERS
CABINET HARMONIUM-ORGAN MANUFACTURERS,
 IMPORTERS OF ALL KINDS OF MUSICAL INSTRUMENTS AND MUSICAL FURNISHINGS.
LONDON PIANO-FORTES.

PLEASE OBSERVE.—Our CHURCH HARMONIUM-ORGANS are the most powerful reed instruments yet invented for Church purposes. Built on quite a novel plan, and fitted with all our patent improvements, it is difficult to distinguish them from an Organ either in tone or appearance; while the price does not exceed one-half that of an Organ.

Our CABINET HARMONIUM-ORGANS are the most suitable reed instruments yet introduced for Chamber Music. See the following extracts from

OPINIONS OF THE PRESS.

"These improvements are undoubtedly of much value."—*Glasgow Herald.*

"Its superiority over the old instrument is very decided."—*Christian News.*

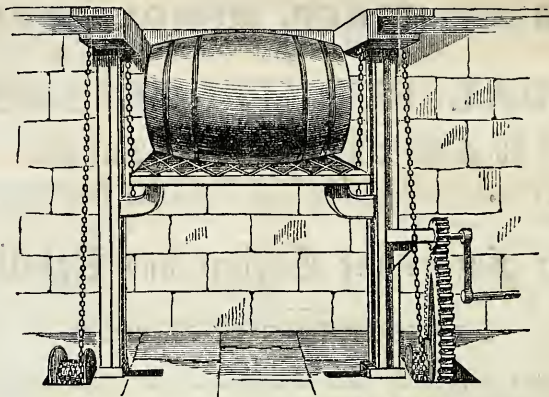

"The success they have obtained in modulating and improving the tone gives the performer the most complete command over the instrument."—*Glasgow Citizen.*

"Messrs. Gilmour have produced an instrument that, under the fingering of even the tyro, can be modulated to the softest cadence, or breathed forth 'in linked sweetness long drawn out,' or at once raised into the full powerful roll of the organ."—*North British Daily Mail.*

"These improvements will make the HARMONIUM a much more popular domestic instrument."—*Morning Journal.*

ALUMINIUM BRONZE.

MESSRS. BELL, BROTHERS,
NEWCASTLE-UPON-TYNE,

BEG to call the attention of Engineers, Machine Makers, Saw-millers, Millowners, and others, to the superiority of Aluminium Bronze as a substitute for Brass used as Bearings for Shafts.

This metal, when prepared for that purpose, contains a mixture of 90 per cent. of copper, with 10 per cent. of aluminium. It melts at the same temperature as copper, and possesses great malleability and strength, which is much increased when hammered cold; and from its great hardness and diminished friction, bushes made of this metal have lasted ten times as long as those made of the ordinary brass composition.

Bushes made of Aluminium Bronze Metal do not require to be made more than one-third of the ordinary thickness of brass bushes. For small bearings the thickness is only $\frac{1}{8}$ th of an inch, increasing in proportion to the diameter of the journals, up to $\frac{3}{4}$ ths thick for the largest size.

This metal is particularly well adapted for saw-mills and other machinery where the bearings are subjected to great tear and wear. It has been in use for several years, and given great satisfaction for its durability and other properties. This Aluminium Bronze is also used for many other purposes, a particular account of which can be had from the Subscriber, Sole Agent for Scotland; and testimonials and other information given on application.

The COFFEE PLANT, "*Coffea Arabica*" of Linnaeus, is an evergreen, and, as may be inferred from its scientific name, is a native of Arabia. It produces a pulpy berry about the size of a small cherry, inclosing two seeds, which, separated from their pulpy envelope, form the well known Coffee Beans of commerce. It may be remarked, as a singular fact in reference to Coffee, that while all of the vegetable kingdom that have been taken under the care of man have been improved, it alone asserts its independence; for, although cultivation may greatly enlarge the crop, it as certainly, at the same time, deteriorates the flavour, and the produce of the wild plant still maintains the highest figure in the market. It is well known that Coffee would be of no real value were it not properly roasted—a process which, as it requires much skill, is only to be acquired by experience. How man became acquainted with the fact, that the tasteless seeds of a berry, when roasted, ground, and infused, would form a grateful beverage, will most probably remain a secret to the end of time. That the development of its useful properties depends wholly upon the roasting, is evident. About two hundred years ago Coffee was first introduced into England, since which its consumption has steadily increased, and deservedly so, when its medical properties are considered, it having been found useful in headaches arising from a particular state of the stomach, and much benefit having been derived from its exhibition in cases of asthma.

A French scientific gentleman, who has directed his attention to this subject says:—"I have found that Coffee is better roasted, and more of the aroma retained, when a double cylinder is used—the air between the interior and exterior cylinders acting as a non-conductor of heat. It is done more uniformly, while the essential oil on which the aroma depends is liable to be dispersed, than when exposed to the fierce heat of a fire in a single cylinder."

In the double rotatory globular method of roasting as practiced at Mr. MINTO'S Works, 29 M'Pherson Street, off High Street, Glasgow, the above principle is acted upon, inasmuch as the globe (which has superseded the cylinder since the application of steam-power to this branch) revolves in a medium of heated air, which, experience has shown, best prevents the dispersion of the essential oil, or aroma.

FIRE INSURANCE.

THE PREMIUMS received by the *Liverpool and London and Globe Company* in the year 1863, amounted to £580,000, and exceeded by not less than £200,000, those of any other Fire Office. In 1864 these Premiums were increased to £742,670, being an addition of £162,000 in that single year; in two years the increase was £290,000.

It is impossible to read these figures without being struck with the very gratifying extent of confidence the public repose in the Company, and the exceedingly rapid rate at which the Business is growing. There is no security so good as a well-earned name, and to be well earned it must be based on confidence. But confidence is very slow of growth. It requires time, it needs evidence, it is the consequence of trial. It is not improvised, and when once given, it should not on light grounds be withdrawn. "To err is human," and if any mistake of judgment, or appearance of failure in fulfilling an obligation be detected in a management, which by fidelity, well tested and allowed, has won such a confidence as that, it is safer to assume that in the particular instance knowledge was possessed which could not be used, or that misleading information had been given, the character of which was discovered too late, or that want of skill or care in developing the case had concealed or marred its strength, than to rush into arms wide open to receive you, with only loud professions of liberality, it may be, on which to base a claim of preference. The Losses of every year test the character of a Company's management, and when, as in the case of the *Liverpool and London and Globe Company* in 1864, they sum up to £520,000, adjusted and paid without complaint, the best security is given that the obligations under its policies have been satisfactorily discharged, and that the real ground of the confidence reposed in the Company is sufficiently revealed.

Insurances continue to be effected at *Home*, in the *British Colonies*, and in *Foreign Countries*, and all claims to be settled with liberality and promptitude. The Directors have never advocated high rates of Premium, except to meet some temporary emergency connected with a particular manufacture or locality, in order to induce improvements in the risks.

LIFE INSURANCE.

THE AMPLE resources of the *Liverpool and London and Globe Company* present an amount of security to Insurers such as few if any office can give. The very large Funds actually invested, and the unlimited responsibility of the numerous and wealthy Proprietary are not surpassed. And accordingly it is found that the Business of each successive year is largely in excess of the one that preceded it. In 1863 the new business comprised the issue of 957 Policies, insuring £542,909, and producing in Premium £17,640. In 1864 the issue was 1394 Policies, insuring £733,536, and producing in Premium £23,808 9s. 2d.

But beyond the security, there is the element of certainty, the absence of mere promise in its engagements, which naturally influences insurers to prefer it. A contract of Life Insurance should not be a speculation. Its fulfilment should not depend on problematical success. A leading object aimed at in the practice of insurance is to render that certain which otherwise would be doubtful only; and that Company would seem to fulfil most entirely this purpose of its existence, which places all the inducements it holds out to the world, on the clear basis of distinct guarantee.

This certainty is the characteristic of The *Liverpool and London and Globe Company*. Its Policies are Bonds; its Bonuses are guaranteed when the policy is issued; its profits or its losses affect the proprietors alone; and its contracts entail upon those who hold them not the remotest liability of Partnership. To these recommendations have now been added, the indisputability of the Policy after five years existence, except on the ground of fraud or climate, and the claims being made payable in THIRTY DAYS after they have been admitted.

ANNUITIES. The *Liverpool and London and Globe Company* offers to any person desirous to increase his Income by the purchase of an Annuity, the most undoubted security and the greatest practicable facilities for the receipt of his annuity. The amount payable by the Company is now £36,700 per annum. The rates will be found on application liberal, and the preliminaries, and the requirements for the receipt of the payments, as simple, and free from unnecessary form as they can be made.

THE DIRECTORS desire to imbue the mind of the public with the great importance of having the Capital of a Company, on which the Dividend is paid, largely supported and strengthened by other Funds, on which no Dividend is payable. Such a state of things, in the first place, evidences the prudence with which the affairs have been managed; and in the next, supplies a guarantee against fluctuation in the Dividend to Proprietors, because so considerable a proportion of the annual payments becomes derivable from interest on the Investments. And when, as in the case of the *Liverpool and London and Globe Company*, no addition to the Capital can be made, without the premium upon it giving permanent increase to the Reserve Fund, it is obvious that any further issue of stock, by reason of the premium it commands, will nearly provide its own Dividend, and so form but a small charge on the business it contributes. This consideration will add to the significance of these Funds which for convenience are enumerated here, namely:—

Capital paid up	£392,000	
Reserved Surplus Fund	971,000	
Life Department Reserve	1,656,000	
Balance of Undivided Profits	193,000	£3,212,000

MUTUAL LIFE ASSURANCE.

Scottish Provident Institution

Head Office.

6 ST. ANDREW SQUARE,
EDINBURGH.

London Branch.

66 GRACECHURCH ST.,
E.C.

The only Office which combines the Benefit of Participation in the
WHOLE PROFITS WITH MODERATE PREMIUMS.

IN THIS SOCIETY alone the Members obtain Assurances having right to share in the Whole Profits, at Premiums equally moderate with the non-participating scale of the Proprietary Companies. This can be effected not only with safety, but with ample reversion of Profits to the Policy-holders, being free from the burden of Dividends to Shareholders. In other Offices a person may assure at Premiums as low, but without any prospect of additions to the original assurance: Or, he may obtain the right to Profits, but only by payment of excessive Premiums.

ITS ADVANTAGES, then, as compared with other Offices, are:—

A greatly larger original Assurance for the same Premium, and eventually, to good lives, as large Additions as where the ordinary high rate of Premium is charged.

For the same yearly sum as large an Assurance may be secured *from the first* as can be looked for elsewhere only after many years' accumulation of *Bonuses*. Thus, a Policy for £1200 or £1250, with right to Profits, may generally be had for the Premium which is usually charged to secure £1000 only.

THE WHOLE PROFITS, moreover, are secured to the Policy-holders themselves, and are divided on a system which is at once safe, equitable, and peculiarly favourable to good lives. Instead of being given among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a heavy loss to the Common Fund—they are reserved for those Members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated interest, amount to the sums in their Policies.

Above 14,000 POLICIES have been issued. The SUBSISTING ASSURANCES are more than $4\frac{3}{4}$ Millions. The REALIZED FUND, arising entirely from accumulated Premiums, considerably exceeds a Million, all invested in unexceptionable securities in this country.

Full information may be had at the various Offices or from the Agents.

DIVISION OF SURPLUS.

THE SYSTEM on which the Profits are divided is peculiar to this Society and is specially fitted for dealing with a surplus arising from moderate Premiums.

The Assurance itself having been provided to all the Members at the lowest rates which are perfectly safe, the system takes up their interest in the Surplus at the point when they become really contributors to the Profits, and thus gives a legitimate advantage to those who have mainly created the Fund by which the Assurances on the early deceasing Members, as well as their own, are made good. *The Surplus is reserved entire for those Members whose Premiums, with accumulated interest at four per cent, amount to the sums in their Policies.* This principle, while avoiding the anomaly of giving additions to those Policies which become claims in their earlier years, yet secures a share of the profits to every Member, who has not, from the sum realized by his heirs exceeding what he has lived to pay, been a gainer by the original transaction.

A Surplus thus divided among a comparatively limited number (though that will comprise a full half of all the Members) must obviously afford larger additions to those Policies which share in it, than when distributed among all indiscriminately, according to the usual systems. The practical working has been that Policies originally for £1000, which have come within the participating class, have been increased to £1300, £1500, and in some instances to upwards of £1700.

33	2 4 6	46	3 8 5	59	6 1 0
34	2 5 7	47	3 11 5	60	6 6 7

The Premium for £1000 in the other Scottish Mutual Offices (which give the whole Profits) is, at age 30, £25 : 17 : 6, which in this Institution would secure a Policy of £1250 from the first. The Premium in this Office for £1000 is only £20 : 15s., which in them would secure not more than £800.

The Premiums, moreover, are as low as by the non-participating Rates of the Proprietary Companies, so that persons who assure with them by that scale virtually throw away the prospect of additions from the profits without any compensating advantage.

☞ A Table showing the Premiums in all the Assurance Offices in the Kingdom will be found in the "Post Magazine Almanac," "Letts's Diary," &c.

The Scottish Provident Institution.

TO PROFESSIONAL MEN

and others whose income is dependent on the continuance of health and activity, the system of Assurance is recommended by Premiums restricted to a definite term of Payment, as shown in the following

TABLE OF PREMIUMS, PAYABLE FOR TWENTY-ONE YEARS ONLY, For Assurance of £100 at Death. With Profits.

Age.	Premium limited to 21 payments.	Age.	Premium limited to 21 payments.	Age.	Premium limited to 21 payments.

Thus a person aged 30, if unwilling to burden himself with payments during his whole life, may secure a Policy for £1000 for a Premium of £27 : 13 : 4, limited to twenty-one yearly payments—being thus relieved of payment before he has passed the prime of life—for a Premium little higher than most offices require during the whole term of life.

☞ Tables of Premiums to cease after 7, 14, or other number of years, may be had on application.

PARTNERSHIP ASSURANCE.

THE DIRECTORS invite the attention of the Commercial Community to the beneficial uses to which Life Assurance may be applied, as a means of preventing the inconvenience to which Mercantile Firms are frequently subjected by the withdrawal of Capital on the death of one of the Partners.

THE TWENTY-SEVENTH ANNUAL GENERAL MEETING was held at Edinburgh on 15th February,—

CHARLES LAWSON, Jun., Esq., Seed Merchant, in the Chair.

THE REPORT by the DIRECTORS showed that 962 proposals had been accepted for £493,456 : 10s. (with upwards of £50,000 declined). The REALIZED FUND, arising entirely from the accumulated Premiums of the Members, had reached the sum of £1,023,487 : 6 : 8. The receipts of the year were £177,668 : 13 : 4, and the Claims by 118 deaths £57,884 : 2s., being under the average of the last three years, and considerably within the expectation. There had been issued in all 14,271 Policies for £6,521,518. The Assurances remaining in force amounted to £4,851,693 : 10s.

The REPORT then proceeded to show the continuous and steady progress of the Society, as exhibited in the following Tabular Statement :—

In Year	New Policies issued.	Amount Assured.	Accumulated Fund at end of Year.
1861	676	£296,475	£772,808
1862	792	372,460	861,005
1863	880	455,493	938,962
1864	962	493,456	1,023,487

The new Directors elected in room of the three retiring by rotation were—GEORGE HOPE, Esq., Fentonbarns, East Lothian; JOHN CAY Jun., Esq., W.S., Solicitor to General Post-Office; GEORGE M. TYTLER, Esq., Secretary, Bank of Scotland.

THE POSITION to which the SOCIETY has attained among the LIFE OFFICES of Great Britain is thus stated by the Chairman at a recent General Meeting :—

“Looking to all the Offices in the Kingdom, we find that, of those established as late as ours, not one has come up to us in general business, except it may be one, and in that case, the difference, if any, is not great, while our own Realized Fund considerably exceeds theirs. If we look, on the other hand, to all the Offices older than ours, numbering probably about sixty, we have gone ahead of about one-half of them in the amount of our Accumulated Fund, and of nearly three-fourths of them in the number of our Members.” It is believed the comparison is even more favourable as at the present date.

THE ADMINISTRATION has uniformly been conducted with liberality towards the Members, and with readiness to initiate and adopt every available improvement. Resolutions were adopted many years since, by which the Policies are not invalidated by inaccuracy in the original statements unless these are proved to have been fraudulently made; and it is believed the Institution is still the only office in which this equitable relaxation is introduced into its constitution. Licenses for Foreign Residence and Travel are given on liberal terms; and when an extra premium is charged, it has the advantage, according to the equitable principles of the office, of sooner bringing the Assurance to participate in the Profits. The Directors are further empowered to give exemption, after five years, from restriction on Foreign Residence or Travel, or from any conditions of forfeiture other than non-payment of the Premiums, on being satisfied that the person whose life is insured has no prospect of going beyond the limits of Europe.

Forms of Proposal may be obtained, and Assurances effected, by correspondence with the Head Office, or through any of the Agents.

REMARKABLE, however, as the past progress of the Society has been, the operations of the last few years have been productive of a vastly increased New Business. The following is the

THE SCOTTISH WIDOWS' FUND is a Mutual Society in which the Whole Profits are divided among the Policy-holders. In "Proprietary" Companies the Profits are divided in certain proportions between Shareholders and Policy-holders. The practical result of the working of the Society's System is, that **VERY LARGE SUMS** have been and are paid to the representatives of Policy-holders, which, under the Proprietary System, would be paid to Shareholders in Dividends, or in additions to their Share Capital.

Unsurpassed Security

is afforded by the Society. At last valuation on 31st December 1859, after reserving Funds to meet the Liabilities on the ample scale implied in a valuation by the Carlisle £3 per cent tables, there remained the Enormous Surplus of Eight Hundred and Forty-Six Thousand Pounds of Profit, all of which has been divided among the Policyholders, as explained below. Since that valuation, there has taken place the following

Increase of the Society's Resources.

The Funds have increased from £3,518,230 to £4,080,000

The Revenue has increased from £412,767 to £506,000

The Whole Profits are divided among the Policy-holders,

including the "Guarantee Fund," which is credited to each Policy in proportion to its value, and is payable at death, with interest from last valuation, *in addition* to the Sum Assured and Bonuses, as in the following Table shewing the Sums payable under Policies of £1000.

Policy dated.	Sum Assured.	Bonuses to 1865.			Guarantee Fund.*			Interest at 3 per cent.*			Total Sums Payable.

* These sums are greater or less, according as the age at entry may be above or under 30 years.

The above are not exceptional cases in which large Bonuses have been awarded by a peculiar system of division. Every Policy in the Books has received Bonuses of corresponding amount, in proportion to its duration.

THE AVERAGE RATES OF BONUS

on each £100 assured for each year from the dates when the Society's Policies were issued, are as under :—

Bonus on all Policies of 1855 . . .	£1 14 11	} per cent per annum from date of the Policies.
Bonus on all Policies of 1845 . . .	1 19 10	
Bonus on all Policies of 1835 . . .	2 7 1	
Bonus on all Policies of 1825 . . .	2 10 5	
Bonus on all Policies of 1815 . . .	3 2 1	

Scottish Widows' Fund Life Assurance Society.

The Highly Profitable Character of the Society's Policies

will be seen by comparing the Bonuses added to Policies of £1000 with the total amount of Premiums paid (age at entry 30), as in the following Table :—

Policy dated.	Bonuses as on page 2.	Premiums paid.	Per Centage of Premiums added as Bonuses.
1855	£ s. d. 191 19 7	£ s. d. 284 12 6	67.449
1845	417 15 10	543 7 6	76.888
1835	729 4 2	802 2 6	90.909
1825	1034 5 10	1060 17 6	97.494
1815	1583 5 3	1319 12 6	119.977

Thus the original Sums Assured have been secured at very trifling outlay—THE GREATER PART of the entire premiums paid on Policies, even of recent issue, having been added as Bonuses, while the whole, and, in many instances, more than the whole, of the Premiums have been added as Bonuses.

Surrender Values are payable on Demand,

there being no interval of years, as in most other offices, during which discontinuance of the Policy involves forfeiture of all the Premiums paid. The following are examples of Surrender Values of Policies of £1000, including Vested Bonus Additions for the number of years specified. Age at entry being 35.

Duration of Policy.	Premiums paid.	Surrender Value.	Per Centage of Surrender Value on Premiums paid.
1 Year	£ s. d. 29 1 8	£ s. d. 9 13 2	33 per cent.
10 Years	290 16 8	173 14 0	60 per cent.

30 Years	872 10 0	774 7 1	89 per cent.
40 Years	1163 6 8	1130 8 6	97 per cent.
45 Years	1308 15 0	1448 2 2	111 per cent.

Facilities & Privileges.

1. **Lapsed Policies.**—When the premium is not paid within the thirty days of grace, and the Policy is not renewed within the further period of twelve months, a sum equal to the full Surrender Value is allowed.

2. **Loans** (not less than £50) are granted on security of Policies to any amount covered by their "Surrender Value."

3. **Claims** are paid in full in any part of the United Kingdom, free of charge, on the simple receipt of the parties entitled thereto in virtue of the Policy itself, or of Assignments, or under English, Irish, or Scotch Administration granted in their favour.

THE FIRST DIVISION OF PROFITS

UNDER THE AMENDED LAWS OF THE SOCIETY WILL BE MADE

On 31st December next year,

When the **WHOLE PROFITS** realized since 1st January 1860 will be divided among the Policy-holders. A great increase has taken place in the Business as well as in the Productiveness of the Society's Invested Funds since last Division of Profits. It is accordingly anticipated that at the approaching Division the Profits will be of unusually large amount. In the distribution to be thus made next year, all Assurances effected *now* will rank for **TWO FULL YEARS' BONUSES**, and for a corresponding **SHARE** of the **GUARANTEE FUND**.

GENERAL SUMMARY.

THE SCOTTISH WIDOWS' FUND realizes the largest amount of Profit which Life Assurance, conducted under the most favourable circumstances, is capable of yielding, and it is all divided among the Policy-holders exclusively. Every facility is afforded with the view of making Policies as useful as possible to the Assured themselves during life. At death Settlement is made, free of expense, upon the simple receipt of the parties entitled. **THE SOCIETY BEING CONSTITUTED FOR THE SOLE BENEFIT OF THE ASSURED AND THEIR REPRESENTATIVES, ITS WHOLE AFFAIRS ARE CONDUCTED WITH A VIEW TO PROMOTE THAT OBJECT.**

SCOTTISH AMICABLE SOCIETY'S MINIMUM PREMIUMS.

give up the profits for which so little deduction was made. By the Minimum Premiums of this Society the same object is attained, while the Assurers are secured in the full benefits of the additions, the deduction made for the assumed rate of $1\frac{1}{2}$ per cent. per annum, accumulated septennially in accordance with the regulations of the Society, being calculated on principles not intended to afford profit to the Society; and if the rate should be more than $1\frac{1}{2}$ per cent., the assured get the benefit of it. On the other hand, should the rate fall short of $1\frac{1}{2}$ per cent., a corresponding deduction will be made from the Policy. It would not be consistent with the well-being of the Society to establish such a class of Assurances, without some such provision as this to fall back upon in the event of unexpected mortality from plague, or otherwise; still, the past history of the Society, and such study as I have been able to give the subject, permit me to say that I do not see any probable prospect of diminution of the sum assured. You are aware that hitherto these policies have had additions made to them, the bonus since they were issued having been at the rate of $1\frac{3}{4}$ per cent. in place of $1\frac{1}{2}$. I would not wish you, however, to suppose from this statement that I consider an addition of $1\frac{1}{2}$ per cent. per annum, as given by our system—viz., accumulated septennially—one of small amount; and I view the dissection of our Gross Premium by the calculation of this Minimum Premium as a very instructive process, showing us, in a plain and clear manner, what such bonus of $1\frac{1}{2}$ per cent. means and infers. The lowness of the resulting Minimum Premium does, in my opinion, argue, on the contrary, that so long as a Society can secure and maintain such a bonus as this, the advantages conferred by it must be viewed as very great. This, and other information acquired by our own experience and growing around us, will be most useful as guides to us in securing a permanent uniform rate. You will agree with me that in contrasting so prominently these Minimum Rates of ours with those of the Government, I was bound to explain fully their position; and I may here state, that as no quarterly rates are given in the Government Table, I have taken their rates for three months (or three times their monthly rate) instead; but there can be no error of any consequence in this. I may notice, however, that the Government Annual Rates are not relatively so unfavourable as the rates payable at more frequent intervals, by about 9 per cent. The allowances for surrender of the Government Policies are not yet fixed, but no allowance is to be made for any Policies discontinued within the next five years; and I will only add that, with the sanction of the Directors of our Society, it is proposed in future to make the following allowances for the surrender of our Minimum Premium Policies, the premiums for which are payable for life in the ordinary way, viz., 20 per cent. where 3 or 4 premiums have been paid; 25 per cent. where 5 or 6 premiums have been paid; 30 per cent. where 7 or 8 premiums have been paid; 35 per cent. where 8 or 9 premiums have been paid; and 40 per cent. where 10 or more premiums have been paid,—these per centages being calculated upon the Ordinary *Annual* Premium, exclusive of any extra. I have to apologise for detaining you so long, but I know many of you feel a warm interest in the subject, and I am hopeful that the information contained in the observations I have made may tend to aid the efforts of those who are anxious to promote the general diffusion of Life Assurance upon such principles as shall secure its full advantages.
